For the purpose of this Contract, a day is defined as 7.5 hours of work, exclusive of meal breaks. Payment will be for days actually worked with no provision for annual leave, statutory holidays and sick leave. If time worked is more or less than a day, the fixed daily rate will be prorated to reflect actual time worked in accordance with the following formula:

$$\frac{\text{Hours worked} \times \text{applicable firm per diem rate}}{7.5 \text{ hours}}$$

1. All proposed personnel must be available to work outside normal office hours during the duration of the Contract.
2. No overtime charges will be authorized under the Contract. All time worked will be compensated according to paragraph above.

REPLACE WITH

The Bidder should complete this pricing schedule and include it in its financial bid. As a minimum, the Bidder must respond to this pricing schedule by inserting in its financial bid specified below its quoted all-inclusive fixed per-diem rate for the resource categories identified.

The rates specified below, when quoted by the Bidder, include the total estimated cost of all travel and living expenses that may need to be incurred for:

- a. Work described in Part 6, Resulting Contract Clauses, of this bid solicitation required to be performed within the National Capital Region (NCR). The NCR is defined in the [National Capital Act](#), R.S.C. 1985, c. N-4, S.2.
- b. travel between the successful bidder’s place of business and the NCR; and
- c. the relocation of resources to satisfy the terms of any resulting contract. These expenses cannot be charged directly and separately from the professional fees to any contract that may result from the bid solicitation.

The inclusion of volumetric data in this document does not represent a commitment by Canada that Canada’s future usage of the services described in the bid solicitation will be consistent with this data.
