Site Visit Start Time: 7 : 35 a m Site Visit end Time: 12:10pm

In attendance from PWGSC: John Reiter (MSO),
Cris Hill (Contracting Authority RPCD) & Joanne Ladouceur (RPCD)

Bidders in Attendance: Aurum Property Care, City Wide Window Cleaning, Skytek Group, Soulard Multiservice, Cody Developments, Galipeau Group, Elite Window Cleaning, Window Butler.

The following Bidder did not show up: Entretiens Qualibec showed up late at 7:50am and Rain or Shine Window Cleaning showed up late at 7:55am, both were refused access to the site visit as I had already started the site visit.

- Introduced myself as Contracting Authority (CA) and John Reiter as Technical Authority (TA)
- Reminded the bidders that Security is Site Access at bid closing - they were reminded that all employee names submitted at bid closing must have Site Access or Secret. If only even one name does not have the proper security (i.e. Reliability) they will be deemed non-responsive.
- Reminded the Bidders at Part 6 Security, in the table please provide full legal names, date of birth for each person they think might be working on this contract
- Reminded the Bidders to Review the SOW as each SOW is different for each site and there have been Revisions
- Bidders were also reminded to review the SOW for times of operations for the window cleanings
- Bidders were reminded to review Part 4 as this will tell them everything they need to send in with the bid
- reminded that Annex E (Complete List of Names of all Board of Directors) is required with the Bid.
- Reminded the Bidders to complete pricing clearly and legible writing
- Bidders were also reminded that the following certificates can be provided with the bid or upon request by the CA, if it is not sent in by the deadline requested by the CA the bid will be considered non-responsive. The certificates are to be no more than 5yrs old for each employee named to work on the contract

Section 1	Special Conditions
1. Cleaning Operations	

.1 General

- .1 Five working days prior to commencing a Scheduled Cleaning Operation, the Contractor must notify the Technical Authority of the scheduled dates when they will perform the work.
- .2 The services must be inspected by the Technical Authority and the Contractor's representative periodically or prior to moving the swing stage upon completion of phase of the scheduled work.

.2 Scheduled Cleaning Operations

- .1 Schedule Cleaning Operation Chart to Section 2 establishes the schedule of operations to be performed during the original contract and to be repeated in each option year of the contract.

2. Staffing

- .1 The Contractor must provide all qualified staff necessary to perform all Services mentioned in Section 2.
- .2 The Contractor must, immediately upon award of the contract, designate a supervisor. The supervisor must be in full charge of the operations of the contractor in the performance of the services and must be authorized to accept any notice, consent, order, direction, decision or other communication on behalf of the Contractor that may given under the contract. The supervisor must liaise, on a daily basis, with the Technical Authority and must be capable of communicating in English or French.
- .3 It is mandatory that the supervisor and all employees are equipped with a cell phone. All expenses including installation, airtime fees commissioning and the cost of phones will be at the expense of the Contractor. A communication service without interruption is required.

3. Health & Safety

- .1 **Perform the work in accordance with Part II of the Canada Labour Code, the Canadian health and safety at work regulations, the guidance at national fire code, laws and provincial/territorial regulations applicable and all municipal applicable laws. The more stringent requirements must prevail.**

- .2 The Contractor must adhere to all health and safety measures pertaining to accident prevention and fire hazards recommended by National and Provincial codes and/or prescribed by the authorities having jurisdiction concerning the equipment, work habits and procedures. In addition, the contractor must have his staff adequately trained to ensure that his personnel is qualified to perform window cleaning operations in accordance with the **Codes, laws and regulations mentioned in 3.1.**
- .3 The Contractor must submit a written "Site-Specific Health and Safety Plan" based on dangers and risks evaluations prior to commencing any work on site and continue to implement, maintain, and enforce plan until final demobilization from site. The Site-Specific Health and Safety Plan (SSHSP) must address work site specifications. The Contractor must submit a (SSHSP) 10 days prior to commencement of work described in this agreement. The (SSHSP) must include, to a minimum:
 - A) evaluation of safety hazards specific to the site.
 - B) control measures of risk analysis or hazards health and safety risks associated to each task and each specific site activity.
 - C) for each building, submit a work plan for cleaning windows using a suspended scaffold or material similar to a single point of attachment or to execute a job from window sills.
 - D) protective material and personal protective equipment, protection for public roads, proper signage and the requirement to notify provincial authorities having jurisdiction.
- .4 The Technical Authority will review the Contractor's Site-Specific Health and Safety Plan and provide comments to the Contractor within [3] days after receipt of plan. The Contractor will revise the plan as appropriate and resubmit plan to the Technical Authority within [3] days after receipt of comments.
- .5 The Technical Authority's review of Contractor's final Site-Specific Health and Safety plan should not be construed as approval and does not reduce the Contractor's overall responsibility for Health and Safety work measures.
- .6 The Contractor must perform the work in a manner that is least disruptive to the Crown and occupants of the buildings.
- .7 Any City permits necessary to perform Services, especially when the use of Contractor's equipment would involve blocking access to city streets or pedestrian sidewalks and the surrounding area, is the responsibility of the Contractor to obtain prior to commencement of work.

- .8 **Construction site:** The contractor is not allowed to clean the windows of a building or a section of the building considered a construction site when work is in progress. When such a situation occurs, the Contractor must inform the Technical Authority for further guidance.

4. Security

- .1 Only those employees whose names submitted by the Contractor to the Technical Authority will be allowed access to the site of the work. No other persons accompanying employees must be allowed on site.
- .2 All personnel employed in the performance of the services must comply with security requirements for the facility. **To identify personnel, the Company name or crest must be affixed to shirt, coveralls or coat.**
- .3 Audio/visual equipment or cameras are not permitted on the work site. It is strictly forbidden to take any pictures or videos on-site.
- .4 All keys or key cards entrusted to the Contractor for the fulfillment of its contract must be fully protected at all times.

5. Building Maintenance

- .1 The Contractor's staff must report all architectural (ie: Broken Windows), electrical and mechanical deficiencies observed during the performance of the Services to the Technical Authority.

6. Material & Equipment

- .1 The Contractor must supply all equipment, materials or products required to carry out the services as mentioned in Section 2.
- .2 The Contractor must ensure the good condition of all equipment, mobile equipment and hoist used to do the work. All materials, products and equipment must be suitable for surfaces to be cleaned and used according to the manufacturer's instructions. The Technical Authority may direct the Contractor to stop the use of a product, material or equipment deemed unacceptable and replaced within the next business day.
- .3 The Contractor must, on request, furnish a complete written statement of the origin, composition and/or manufacturer of any of all materials supplied by if for use in the services.

- .4 The Contractor will and must ensure that all materials used in the workplace are classified and labeled according to the Workplace Hazardous Materials Information Systems (WHIMS).
- .5 A binder with the copies of the material safety data sheets (MSDS) must be kept on the premises and updated on a regular basis, or when new cleaning products are purchased. This binder must be made available to the Technical Authority upon request.

7. Roof Anchor Inspection Certificate

- .1 The Contractor is responsible to have a certified engineer perform a roof anchor inspection annually. A copy of the roof anchor inspection stamped by the certified engineer will be submitted to the Technical Authority as well as the registration number from the Ontario or Quebec Ministry of Labour.

8. Roof Anchor Log Book

- .1 A roof anchor log book shall be maintained in the building by the Contractor in which it shall record on a daily all window cleaning operations when being performed. The log book shall be located **on site** and available to the Technical Authority for monitoring purposes.

9. Light, Heat, Power and Water

- .1 Canada shall supply all light, heat, power and hot/cold water reasonably required for the performance of the Services.

- (X) Canada will use the Phased Bid Compliance Process described below.

F. Phased Bid Compliance Process

F.1 (2018-07-19) General

- (a) Canada is conducting the PBCP described below for this requirement.
- (b) Notwithstanding any review by Canada at Phase I or II of the PBCP, Bidders are and will remain solely responsible for the accuracy, consistency and completeness of their Bids and Canada does not undertake, by reason of this review, any obligations or responsibility for identifying any or all errors or omissions in Bids or in responses by a Bidder to any communication from Canada.

THE BIDDER ACKNOWLEDGES THAT THE REVIEWS IN PHASE I AND II OF THIS PBCP ARE PRELIMINARY AND DO NOT PRECLUDE A FINDING IN PHASE III THAT THE BID IS NON-RESPONSIVE, EVEN FOR MANDATORY REQUIREMENTS WHICH WERE SUBJECT TO REVIEW IN PHASE I OR II AND NOTWITHSTANDING THAT THE BID HAD BEEN FOUND RESPONSIVE IN SUCH EARLIER PHASE. CANADA MAY DEEM A BID TO BE NON-RESPONSIVE TO A MANDATORY REQUIREMENT AT ANY PHASE.

THE BIDDER ALSO ACKNOWLEDGES THAT ITS RESPONSE TO A NOTICE OR A COMPLIANCE ASSESSMENT REPORT (CAR) (EACH DEFINED BELOW) IN PHASE I OR II MAY NOT BE SUCCESSFUL IN RENDERING ITS BID RESPONSIVE TO THE MANDATORY REQUIREMENTS THAT ARE THE SUBJECT OF THE NOTICE OR CAR, AND MAY RENDER ITS BID NON-RESPONSIVE TO OTHER MANDATORY REQUIREMENTS.

- (c) Canada may, in its discretion, request and accept at any time from a Bidder and consider as part of the Bid, any information to correct errors or deficiencies in the Bid that are clerical or administrative, such as, without limitation, failure to sign the Bid or any part or to checkmark a box in a form, or other failure of format or form or failure to acknowledge; failure to provide a procurement business number or contact information such as names, addresses and telephone numbers; inadvertent errors in numbers or calculations that do not change the amount the Bidder has specified as the price or of any component thereof that is subject to evaluation. This shall not limit Canada's right to request or accept any information after the bid solicitation closing in circumstances where the bid solicitation expressly provides for this right. The Bidder will have the time period specified in writing by Canada to provide the necessary documentation. Failure to meet this deadline will result in the Bid being declared non-responsive.

- (d) The PBCP does not limit Canada's rights under Standard Acquisition Clauses and Conditions (SACC) 2003 (2018-05-22) Standard Instructions – Goods or Services – Competitive Requirements nor Canada's right to request or accept any information during the solicitation period or after bid solicitation closing in circumstances where the bid solicitation expressly provides for this right, or in the circumstances described in subsection (c).
- (e) Canada will send any Notice or CAR by any method Canada chooses, in its absolute discretion. The Bidder must submit its response by the method stipulated in the Notice or CAR. Responses are deemed to be received by Canada at the date and time they are delivered to Canada by the method and at the address specified in the Notice or CAR. An email response permitted by the Notice or CAR is deemed received by Canada on the date and time it is received in Canada's email inbox at Canada's email address specified in the Notice or CAR. A Notice or CAR sent by Canada to the Bidder at any address provided by the Bidder in or pursuant to the Bid is deemed received by the Bidder on the date it is sent by Canada. Canada is not responsible for late receipt by Canada of a response, however caused.

F.2 (2018-03-13) Phase I: Financial Bid

- (a) After the closing date and time of this bid solicitation, Canada will examine the Bid to determine whether it includes a Financial Bid and whether any Financial Bid includes all information required by the solicitation. Canada's review in Phase I will be limited to identifying whether any information that is required under the bid solicitation to be included in the Financial Bid is missing from the Financial Bid. This review will not assess whether the Financial Bid meets any standard or is responsive to all solicitation requirements.
- (b) Canada's review in Phase I will be performed by officials of the Department of Public Works and Government Services.
- (c) If Canada determines, in its absolute discretion that there is no Financial Bid or that the Financial Bid is missing all of the information required by the bid solicitation to be included in the Financial Bid, then the Bid will be considered non-responsive and will be given no further consideration.
- (d) For Bids other than those described in c), Canada will send a written notice to the Bidder ("Notice") identifying where the Financial Bid is missing information. A Bidder, whose Financial Bid has been found responsive to the requirements that are reviewed at Phase I, will not receive a Notice. Such Bidders shall not be entitled to submit any additional information in respect of their Financial Bid.

- (e) The Bidders who have been sent a Notice shall have the time period specified in the Notice (the "Remedy Period") to remedy the matters identified in the Notice by providing to Canada, in writing, additional information or clarification in response to the Notice. Responses received after the end of the Remedy Period will not be considered by Canada, except in circumstances and on terms expressly provided for in the Notice.
- (f) In its response to the Notice, the Bidder will be entitled to remedy only that part of its Financial Bid which is identified in the Notice. For instance, where the Notice states that a required line item has been left blank, only the missing information may be added to the Financial Bid, except that, in those instances where the addition of such information will necessarily result in a change to other calculations previously submitted in its Financial Bid, (for example, the calculation to determine a total price), such necessary adjustments shall be identified by the Bidder and only these adjustments shall be made. All submitted information must comply with the requirements of this solicitation.
- (g) Any other changes to the Financial Bid submitted by the Bidder will be considered to be new information and will be disregarded. There will be no change permitted to any other Section of the Bidder's Bid. Information submitted in accordance with the requirements of this solicitation in response to the Notice will replace, in full, **only** that part of the original Financial Bid as is permitted above, and will be used for the remainder of the bid evaluation process.
- (h) Canada will determine whether the Financial Bid is responsive to the requirements reviewed at Phase I, considering such additional information or clarification as may have been provided by the Bidder in accordance with this Section. If the Financial Bid is not found responsive for the requirements reviewed at Phase I to the satisfaction of Canada, then the Bid shall be considered non-responsive and will receive no further consideration.
- (i) Only Bids found responsive to the requirements reviewed in Phase I to the satisfaction of Canada, will receive a Phase II review.

F.3 (2018-03-13) Phase II: Technical Bid

- (a) Canada's review at Phase II will be limited to a review of the Technical Bid to identify any instances where the Bidder has failed to meet any Eligible Mandatory Criterion. This review will not assess whether the Technical Bid meets any standard or is responsive to all solicitation requirements. Eligible Mandatory Criteria are all mandatory technical criteria that are identified in this solicitation as being subject to the PBCP. Mandatory technical criteria that are not identified in the solicitation as being subject to the PBCP, will not be evaluated until Phase III.

- (b) Canada will send a written notice to the Bidder (Compliance Assessment Report or “CAR”) identifying any Eligible Mandatory Criteria that the Bid has failed to meet. A Bidder whose Bid has been found responsive to the requirements that are reviewed at Phase II will receive a CAR that states that its Bid has been found responsive to the requirements reviewed at Phase II. Such Bidder shall not be entitled to submit any response to the CAR.
- (c) A Bidder shall have the period specified in the CAR (the “Remedy Period”) to remedy the failure to meet any Eligible Mandatory Criterion identified in the CAR by providing to Canada in writing additional or different information or clarification in response to the CAR. Responses received after the end of the Remedy Period will not be considered by Canada, except in circumstances and on terms expressly provided for in the CAR.
- (d) The Bidder’s response must address only the Eligible Mandatory Criteria listed in the CAR as not having been achieved, and must include only such information as is necessary to achieve such compliance. Any additional information provided by the Bidder which is not necessary to achieve such compliance will not be considered by Canada, except that, in those instances where such a response to the Eligible Mandatory Criteria specified in the CAR will necessarily result in a consequential change to other parts of the Bid, the Bidder shall identify such additional changes, provided that its response must not include any change to the Financial Bid.
- (e) The Bidder’s response to the CAR should identify in each case the Eligible Mandatory Criterion in the CAR to which it is responding, including identifying in the corresponding section of the original Bid, the wording of the proposed change to that section, and the wording and location in the Bid of any other consequential changes that necessarily result from such change. In respect of any such consequential change, the Bidder must include a rationale explaining why such consequential change is a necessary result of the change proposed to meet the Eligible Mandatory Criterion. It is not up to Canada to revise the Bidder’s Bid, and failure of the Bidder to do so in accordance with this subparagraph is at the Bidder’s own risk. All submitted information must comply with the requirements of this solicitation.
- (f) Any changes to the Bid submitted by the Bidder other than as permitted in this solicitation, will be considered to be new information and will be disregarded. Information submitted in accordance with the requirements of this solicitation in response to the CAR will replace, in full, **only** that part of the original Bid as is permitted in this Section.

- (g) Additional or different information submitted during Phase II permitted by this section will be considered as included in the Bid, but will be considered by Canada in the evaluation of the Bid at Phase II only for the purpose of determining whether the Bid meets the Eligible Mandatory Criteria. It will not be used at any Phase of the evaluation to increase or decrease any score that the original Bid would achieve without the benefit of such additional or different information. For instance, an Eligible Mandatory Criterion that requires a mandatory minimum number of points to achieve compliance will be assessed at Phase II to determine whether such mandatory minimum score would be achieved with such additional or different information submitted by the Bidder in response to the CAR. If so, the Bid will be considered responsive in respect of such Eligible Mandatory Criterion, and the additional or different information submitted by the Bidder shall bind the Bidder as part of its Bid, but the Bidder's original score, which was less than the mandatory minimum for such Eligible Mandatory Criterion, will not change, and it will be that original score that is used to calculate any score for the Bid
- (h) Canada will determine whether the Bid is responsive for the requirements reviewed at Phase II, considering such additional or different information or clarification as may have been provided by the Bidder in accordance with this Section. If the Bid is not found responsive for the requirements reviewed at Phase II to the satisfaction of Canada, then the Bid shall be considered non-responsive and will receive no further consideration.
- (i) Only Bids found responsive to the requirements reviewed in Phase II to the satisfaction of Canada, will receive a Phase III evaluation.

F.4 (2018-03-13) Phase III: Final Evaluation of the Bid

- (a) In Phase III, Canada will complete the evaluation of all Bids found responsive to the requirements reviewed at Phase II. Bids will be assessed in accordance with the entire requirement of the bid solicitation including the technical and financial evaluation criteria.
- (b) A Bid is non-responsive and will receive no further consideration if it does not meet all mandatory evaluation criteria of the solicitation.

F.5 (2017-07-31) Technical Evaluation

Mandatory Technical Criteria

The Phased Bid Compliance Process will apply to all mandatory technical criteria, (as per clause 4.1.1 in solicitation).

ALL OTHER TERMS AND CONDITIONS SHALL REMAIN THE SAME.
