Challenge EN578-170003/16: Preventing Contraband Delivery via Air and Ground

Attachment 1 Question and Answer #1

This document contains questions and answers related to this challenge.

Question #1:

Under the “Additional Outcomes” section, it states that: The solution should be affordable: eventual sales price should be less than \$200,000.00 per solution to allow for deployment through all Correctional Service Canada institutions.

Could you elaborate on “per solution”? Does this mean per system unit or per facility/project?

Response #1:

“Per solution” means per institution.
