Solicitation Amendment No. 001

This solicitation is hereby amended to provide the following questions and answers:

Based on the due date of the bid and the closeness of the delivery date (I see it's February 28, 2019 please correct me if I'm wrong), from our past experience this window is too small between approvals (seating layout, colors, drawings, materials), production time, delivery, and installation.

Question 1:

How soon after bid due date will you make a decision on awarding of the bid?

Answer 1:

1-2 weeks

Question 2:

We would more than likely require a longer window for delivery and installation, will this exclude us from winning this bid?

Answer 2:

Not unless you cannot deliver by March 31st.

Question 3:

Could you please confirm the number of seats? From my research it would appear it's 193 seats total, 12 with tablets. I'd just like to make sure this is correct.

Answer 3:

Refer to table 1 of Annex B and the drawing provided.

And
