**TYPICAL WHARF SPAN SECTION**

SCALE : 1:50

The diagram illustrates a typical wharf span section. It features a horizontal scale bar at the bottom, ranging from 0m to 5m in 1m increments. Above the scale bar, the text "SCALE : 1:50" is displayed. To the right of the scale bar, there is a circular cross-section of a wharf span. The circular section is divided into four segments by a vertical line and a horizontal line. The dimensions of these segments are labeled: 3m for the left segment, 5m for the top segment, 4m for the bottom segment, and 5m for the right segment.
