### **Amendment No. 001**

This amendment is being raised to 1) incorporate changes to the following section of the Request for Standing Offer (RFSO): Submission Requirements and Evaluation SRE 2 Proposal Requirements 2.2 Specific Requirements for Proposal Format and 2) provide responses to Requests for Clarification.

#### **1) REVISIONS TO THE RFSO**

Reference: Submission Requirements and Evaluation SRE 2 Proposal Requirements 2.2 Specific Requirements for Proposal Format

Proponents are hereby instructed to:

Delete: in its entirety

Insert: The maximum number of pages (including text and graphics) to be submitted for the Rated Requirements under SRE 3.2 is **forty-five (45)** pages.

The following are not part of the page limitation mentioned above;

- Covering letter
- Table of Contents
- Tabs / Page Dividers (provided they are free of text and/or graphics)
- Declaration/Certifications Form (Appendix A)
- Integrity Provisions –Required Documentation
- Price Proposal Form (Appendix B)
- Team Identification (Appendix C)
- Front page of the Request for Standing Offer document
- Front page of revision(s) to the Request for Standing Offer document

***Consequence of non-compliance: any pages which extend beyond the above page limitation and any other attachments will be extracted from the proposal and will not be forwarded to the PWGSC Evaluation Board members for evaluation.***

#### **2) REQUESTS FOR CLARIFICATION**

Q1. Would you please clarify if you require, as one of the specialist/sub-consultant types, a **structural** engineer, a **civil** engineer or **both**? Currently, you show **Structural Civil Engineer**, but these are two different disciplines.

A1. It is one discipline - Civil Engineer whose speciality is Structural Engineering.

Q2. Item 3.2.4 and 3.2.5 ask for CV's for two (2) prime consultant (electrical) and one (1) CV for each sub-consultant (three (3) sub-consultants required). Total ten (10) CV's, each 2 pages, total 20 pages, which leaves only 20 pages for the rest of rated requirements, which is insufficient to express what RFP is looking for. Please consider limiting number of pages for sub consultants CV's to one (1) page, or increase the total page limit.

- A2. The page limit is extended to forty-five (45) pages.
- Q3. As indicated previously, Item 3.1.4 identifies Structural Civil engineer as a Key Sub-consultant. Please note that Structural and Civil are two different disciplines. Please advise which discipline is required: Structural or Civil?
- A3. See answer for Q1 above -Civil Engineer whose speciality is Structural Engineering.

All other terms and conditions of the solicitation remain the same.
