Amendment 001 issued to amend the above-noted solicitation as follows:

I. Publish answers to enquiries received from potential bidders (Q & As):

1	Will there be a power source run from a panel up to the workstation that we will be using for the crane?	Power hoists are not a requirement of this solicitation. There is, however, power available for the Contractor to use onsite while assembling/installing/testing.
2	Will we need to do any foundation work or is the concrete sufficient for the total weight of the workstation?	The Contractor is not required to do any foundation work. The Contractor shall ensure their proposed system(s) meet the infrastructure limitations identified in 3.1.1 Infrastructure.

All other terms and conditions of the solicitation remain unchanged.
