**Amendment 002 to our solicitation to answer questions from the industry.**

**Enquiries – Bid solicitation – Clause #2.3**

To ensure consistency and quality of information provided to bidders, significant enquiries received and the replies to such enquiries will be provided simultaneously to bidders to which the bid solicitation has been sent, without revealing the sources of enquiries.

Here are the questions we have received:

-----

**Question 1 :** The RFP mentions that “Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process.” Could we please let me know how that will be assessed and how scoring for taking addressing environmental concerns will be awarded?

**Answer 1 :** As per Part 3 – Bid preparation instructions:

To assist Canada in reaching its objectives, bidders should:

- a) use 8.5 x 11 inch (216 mm x 279 mm) paper containing fibre certified as originating from a sustainably-managed forest and containing minimum 30% recycled content; and
- b) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

This is not part of the evaluation. To know the evaluation criteria, please refer to Part 4 – Evaluation procedures and basis of selection.

-----

**Question 2 :** In technical scoring are there points awarded if technical requirements are exceeded and how would a bidder know the criteria of the scoring?

**Answer 2 :** As per Part 4 – Evaluation procedures and basis of selection, the evaluation will be on the mandatory technical criteria:

“A bid must comply with the requirements of the bid solicitation and meet all mandatory technical evaluation criteria to be declared responsive. The responsive bid with the lowest evaluated price will be recommended for award of a contract.”

-----

**Question 3 :** Is there an incumbent supplier/manufacturer?

**Answer 3 :** No.

-----

**All other terms and conditions of the Request for Proposal remains the same.**
