## **Solicitation Amendment No. 007**

**This solicitation is hereby amended to provide the following question and answer:**

### Question 21:

Reference - Annex "E", Article 15

Article 15 does not reflect this Solicitation's number of Resource Categories, citing 28 Resource Categories while this Solicitation has 46 Resource Categories. Could PSPC please provide a revised Article 15?

### Answer 21:

Annex "E", Article 15 has been corrected to read:

**15. BIDDERS ARE ADVISED THAT A PASS MARK OF 70% IS APPLIED TO THE TOTAL SCORE FOR ALL MANDATORY RESOURCE CATEGORIES AND COMPLETED OPTIONAL CATEGORIES COMBINED.** In other words, the score achieved for all 46 resource categories is summed, and divided by the sum of all 46 Maximum scores (less any optional categories not completed) and multiplied by 100%. If the result is less than 70%, the proposal will be considered non-responsive and will not be given further consideration. For example, if resources are proposed for all categories and the total score is 3900 points, this would be divided by the sum of all 46 Maximum scores (6338) and multiplied by 100% for a total percentage of 61.53%, which would be considered non-responsive. If resources were proposed for only the mandatory categories and the total score was 1400, this would be divided by the sum of all 18 Maximum scores (1928) for the mandatory categories only and multiplied by 100% for a total percentage of 72.61%, which would be considered a pass. In a third example, if resources were proposed for all of the mandatory and only the first 3 optional categories for a total score of 1950, this would be divided by the sum of all 18 Maximum scores (1928) for the mandatory categories plus the sum of the Maximum scores for the 3 completed optional categories (444) for a total of 2372 then multiplied by 100% for a total percentage of 82.09%, which would be considered a pass.

If your bid has already been forwarded and you wish to revise same, this revision should be sent in a sealed envelope and mailed to the above address and reach the undersigned before the appropriate closing date. The solicitation number and the closing date are to be shown on the outside of the sealed envelope.

All other terms and conditions of the solicitation document remain unchanged.
