This **amendment # 002** is raised to modify solicitation **#EW038-191710/A** as follows:

Question 1:

Our arm does not have a slider but the arms pivot enough to allow this differential:

“2.1.2 Dual monitor arms must be a dual arm with a rotational slider assembly that provides adjustability for separation between monitor sizes from 610mm (24”) to 686mm (27”) in either a landscape or portrait position”.

Response 1:

The monitors must be able to be positioned side by side with a minimum 50mm (1/2”) space between each monitor in either landscape or portrait position.

Question 2:

Our arms are only rated to 20 lbs per arm. Asking for 22 lbs exceeds the original SA requirements (10.3.4)

Response 2:

Weight of up to 10kg (22 pounds) +/- .907kg (+/- 2 pounds)

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
