Amendment 02

This amendment is being raised to distribute questions and answers.

A) QUESTIONS & ANSWERS

Q31 Can we bid as a joint venture of an Architectural firm and an Engineering firm?

A31 Yes a joint venture can submit a bid as long as at least one party is an Architectural firm. Joint Ventures are either a legal joint venture in which they've created a separate legal entity, or a contractual joint venture in which they have an agreement among themselves regarding profit and work allocation.

Please see R1410T GI9 (2013-04-25) Limitation of submissions for reference. https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual/5/R/R1410T/23#limitation-of-submissions

Q32 Section 2.5 Cost. Section 2.5.1 Construction Budget indicates that the "Construction Estimate" is essentially a Project Cost and that all costs are included in that \$1.7M value. Can you please confirm that Section 2.5.2 Estimated Construction Cost is in fact the same as the Construction Estimate and that all costs are rolled into the \$1.7M.

A32 The 1.7M budget is all inclusive (GST excluded). It includes everything including the fees for this contract.

Q33 Can you also confirm if construction contingencies are also part of the \$1.7M value? A33 Yes they are. See A32

Q34 Is there an actual Construction Estimate that may be available for review that will reflect that actual "Construction Cost" which will be less than what I am calling Project Cost? It need not show the other costs such as consultant fees, escalation or contingencies, but is there a clear construction cost estimate or at least an estimated Construction Value that you can provide that is just construction? A34 No there is not.

Q35 Will Parks Canada require the consultant prepare the FHBRO Intervention Report or proposal or will Parks Canada take the consultants work and prepare the intervention proposal to send to FHBRO at the key project stages?

A35 PCA will take the consultants work and prepare the intervention proposal to send to FHBRO at the key project stages.

All other terms and conditions remain unchanged.
