Question and Answer 40	Amendment 008

Q#	QUESTION	RESPONSE
40	Section 2 Instructions for Respondents at section 2.3 d), states that “Respondents may act as subcontractor to another Respondent”, but is silent on whether subcontractor experience can be used in meeting ITQ requirements (outside of a joint venture as described in 2.3 e). Is Canada interested in responses that include products from subcontractor where subcontractor could not otherwise meet ITQ requirements without a Respondent acting as prime bidder?	<p>Canada will consider a Respondent’s submitted Reference Project responsive on the following conditions. In the Reference Project:</p> <ol style="list-style-type: none"> 1. The Respondent was the prime contractor; and 2. Either <ol style="list-style-type: none"> a) The identified subcontractor was a subcontractor in the Reference Project; or b) The Respondent implemented the subcontractor’s product in the Project, under the subcontractor’s legal authorization. <p>And,</p> <p>In this ITQ:</p> <ol style="list-style-type: none"> 3. The Respondent proposes <ol style="list-style-type: none"> a) the same subcontractor for participation; or
