SOLICITATION AMENDMENT 001

SECTION A - QUESTIONS AND ANSWERS

Question 1:

In our inventory, we have a Vest that conforms to the NIJ – 0101.06 level IIIA norm, is it possible to offer it in our quote considering that is it superior to the level II?

Answer 1:

Yes as long as it conforms to the design and characteristics found in the specifications – Appendix B:

1) Weight and Thickness section 4.3.3 g and h:

g) Have a total mass per unit area not exceeding 4.4kg/m² excluding the waterproof panel cover.

h) Have a total thickness not exceeding 5.8mm including the waterproof panel cover

2) Design section 4.3.4 and 4.3.5 – panels to conform to the design and shape as per Figure 1-2-3 and 4.

Question 2:

Regarding the Samples, we can make the exact vest described in Appendix B, but we must customize our existing product line (which can be done for the delivery on March 31, 2019), but very difficult for the offer delivery. For your ballistic tests etc...we can send with our submissions vests and plates that meet the general and detailed requirements, would it work?

Answer 2:

No, the pre-award sample must meet the technical specification requirements as detailed in specifications – Appendix B.

SECTION B – CHANGES TO THE BID SOLICITATION

None.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED
