Amendment 002

This amendment is raised to modify the contract as follow

1.0 Extend the solicitation period:

The solicitation period is extended to December 20, 2018.

2.0 Modify the Optional Renewal of Extended Maintenance Service and Warranty.

At Annex "A" under Optional Renewal of Extended Maintenance Service and Warranty.

Delete:

Preventive Maintenance, Technical Support and Diagnostics and Calibration.

Insert:

Calibration and Preventive Maintenance

The Contractor must perform all diagnostics, calibration and preventive maintenance services for the Instrument. This must include at least one calibration and preventive maintenance service in each year of the extended maintenance period.

Preventive Maintenance must include all procedures required for the purpose of maintaining the equipment in a satisfactory operating condition, e.g. systematic inspection, detection, and correction of incipient failures either before they occur or before they develop into major defects.

Technical Support

The Contractor's Help Desk must respond on business days from 8:00 to 5h00 to notifications.

The Contractor's response to the Technical Authority must include steps to understand the nature of the problem.

The Contractor must offer suggestions that could restore the Instrument or safe ways to rectify or correct the trouble reported.

The Contractor, if requested by Canada to do so, must replace, repair or correct, at its own option and expense any work that becomes defective or fails to conform to the requirements.

Canada must pay the transportation cost associated with returning the Work or any part of the Work to the Contractor's plant for replacement, repair or making good, and the Contractor must pay the transportation cost associated with forwarding the replacement or returning the Work or part of the Work when rectified to the delivery point specified in the Contract or to another location as directed by Canada.

3.0 Modify the Optional requirement table
