SECTION A – INTRODUCTION

The Canadian Tourism Commission, doing business as Destination Canada ("DC"), is Canada's national tourism marketing organization. A federal Crown corporation, DC supports the Canadian tourism industry by marketing Canada as a premier four-season tourism destination, and supports the Canadian economy by generating tourism export revenues.

Through collaboration and partnerships with the private sector, the Government of Canada, plus the provinces and territories, DC works with the tourism sector to maintain our competitiveness and position Canada as a destination where travelers can create extraordinary personal experiences.

DC's approach focuses on those global markets where Canada's tourism brand leads and yields the highest return on investment. DC is active in 10 key geographic markets: China, India, Japan, Mexico, South Korea, Australia, France, Germany, United Kingdom, and United States.

A.1 Purpose and Intent

The purpose of this Negotiated Request for Proposal (the "NRFP") is to solicit proposals for Design and Print Services in Mainland China, Hong Kong and Taiwan. See Statement of Work (Section C) for detailed requirements.

It is DC's intent to enter into an agreement with the proponent who can best serve the interests of DC. At the final outcome of the NRFP process, the successful proponent ("Contractor") may be required to collaborate with DC's other service providers and partners to ensure that public relations and communications services are consistent with DC's mandate, brand and corporate strategy.

This procurement process is not intended to create and does not create a formal binding bidding process whereby every proponent is deemed to have entered into a "Contract A" with DC. Instead, the process is intended to enable DC to learn what proponents can offer by way of goods or services in response to DC's Statement of Work. Depending on the number and variety of responses, DC will subsequently negotiate with those proposals that best serve its needs, as determined by DC.

By submitting a proposal, a proponent agrees to this negotiated process and agrees that they will not bring a claim against DC with respect to the award of a contract, failure to award a contract or failure to honour a response to this NRFP.

In summary, this NRFP is issued solely for the purpose of obtaining proposals. Neither the issuance of this NRFP nor the submission of a proposal implies any obligation by DC to enter into any agreement. The intent of this NRFP is to identify those vendors capable of meeting DC's requirements and with whom a final agreement may be negotiated.

A.2 Contract Term

DC anticipates entering into negotiations with the selected proponent(s) for up to three (3) years, with an option to extend on an annual basis by DC for a total period not to exceed another two (2) years at DC's sole discretion. DC does not grant exclusivity, guarantee business or make any guarantee of the value or volume of work that may be assigned to the Contractor.

SECTION B – NRFP EVALUATION CRITERIA AND INSTRUCTIONS

B.1 Mandatory Criteria Evaluation

To qualify for evaluation, proposals will first be checked against the mandatory criteria set out in Section D. Proponents failing to satisfy the mandatory criteria evaluation will be provided an opportunity to rectify any deficiencies (“Rectification Period”). Proposals satisfying the mandatory criteria during the Rectification Period will be further evaluated as outlined in Section B.2. All proposals failing to satisfy the mandatory criteria after the Rectification Period will be excluded from further consideration and notified as such. The Rectification Period will begin at the closing of the NRFP, and will end within a time period defined by DC in its sole discretion.

B.2 Desirable Criteria Evaluation

Proposals meeting the mandatory criteria will then be evaluated and scored on the desirable criteria set out below. DC’s evaluation committee may be comprised of DC employees and consultants to DC who are bound by an agreement of confidentiality with respect to the NRFP process. The evaluation committee will be responsible for reviewing and evaluating proposals and making an award recommendation to DC Senior Executive(s).

All decisions on the degree to which proposals and/or presentations/demonstrations (if applicable) meet the stated criteria and the scores assigned during the evaluations, are at the sole discretion of DC.

	Evaluation Criteria	NRFP Section	Weighting
B.2.1	Desirable Criteria Questionnaire Proposals will be evaluated based on meeting the above desirable criteria. Proposals that achieve a score of 21% (60% of 35%) or higher (the “Threshold”) will be evaluated further based upon, but not limited to, Proposed Pricing.	E	35%
B.2.2	Proposed Pricing Following evaluation of Proposed Pricing, DC may limit further evaluation to a limited number of the top ranked proposals up to a maximum of the three (3) top ranked proposals (the “Shortlist”). Only those proposals on the Shortlist will be further evaluated based upon Presentations and Samples.	F	40%
B.2.3	Presentations and Samples	G	25%

Any proposal received after the Closing Time may not be reviewed by DC. The proponent has sole responsibility for the timely submission of their proposal.

B.3.2 Questions

Proponents may submit questions via e-mail to the Contracting Authority until 14:00 hours PT, December 18, 2018. Questions submitted after this date and time may not be responded to.

If DC, in its sole discretion, determines that information generated from any question will be of interest to all, a summary of anonymous questions and answers will be made available to all proponents in the form of an amendment. The source of all questions will be kept confidential.

If a proponent believes that disclosure of a question and response would expose a proprietary aspect of its proposal, the proponent may submit the question with an advisory to DC explaining why it should not be included with the posted anonymous questions and answers. If DC concurs with the request, the question will be answered in confidence and will not be posted. If DC does not concur with the request, the proponent will be asked to restate the question, and if this is not possible, the proponent has the option to withdraw the question.

B.3.3 Intentions

Proponents should indicate if they intend to submit a proposal (“Intent to Submit”) via e-mail to the Contracting Authority by 14:00 hours PT, December 14, 2018.

Please Note: The Intent to Submit is not a mandatory requirement and therefore does not prevent a proponent from submitting by the required closing date and time.

B.3.4 Instructions

SECTION F – PROPOSED PRICING

Proponents should submit their pricing proposal in a separate file from the rest of their response. In the pricing submission, reference the NRFP# and name along with company information.

DC is constrained by limited budgets; therefore proponents are encouraged to present a best value for cost when submitting all pricing requests, while taking into consideration all of the requirements in this NRFP and as demonstrated through their response to Section E.

When evaluating proposed pricing, DC may consider the total cost of ownership associated with the product or service over its lifetime including, but not limited to, acquisition cost, staffing resources, training, installation, support, maintenance, transportation and logistics, operating costs, and disposal costs. This may also include transition, migration or integration costs which DC would be expected to pay. There should be no hidden costs which DC discovers at the end of the term.

DC makes no commitments or guarantees for volume of work and may elect to increase or reduce the volume based on budget and/or company initiatives. The pricing established in the contract resulting from this NRFP will apply or form a basis for establishing a price for items that have different specifications, which will be negotiated and agreed to by both the Contractor and DC.

F.1 Pricing Proposal

DC will reimburse the Contractor at cost for making deliveries to other locations across Mainland China, Hong Kong and Taiwan when required. The Contractor is required to present the total cost for shipping and seek written approval from DC prior to commencing the delivery. The Contractor is required to provide supporting documents, including receipts from the shipping companies, when invoicing DC for this shipping cost reimbursement.

It is the proponent's responsibility to regularly review www.buyandsell.gc.ca for amendments to the NRFP that DC in its discretion may post prior to Closing Time. Proponents are responsible for reviewing all amendments and confirm that all amendments issued have been read and included in the Proponent's response (see Appendix 3).

DC reserves the right to negotiate contract scope and terms with the top-ranked proponent(s) whose expertise, experience, vision and reputation are judged to best serve the interests of DC, hereafter the "Preferred Proponent(s)". Proponents are cautioned not to assume that the lowest priced proposal will result in a contract award.

DC will enter into discussions and negotiations with the Preferred Proponent(s) to reach agreement on the final terms of the Agreement. Negotiations may include requests by DC for supplementary information from the proponent to verify, clarify or supplement the information provided in its proposal or confirm the conclusions reached in the evaluation and may include requests by DC for improved pricing from the proponent.

Concurrent Negotiations: The Preferred Proponent(s), as established under the evaluation, will be invited to enter into contract negotiations with DC. DC intends to conduct negotiations within the Timeframe for Concurrent Negotiations.

At any point in the Timeframe for Concurrent Negotiations, DC may elect to unilaterally terminate one or more negotiation(s). Final selection of one or more Preferred Proponents will be determined following DC's receipt of best and final offers (BAFO). Final selection will be based upon best overall value to DC. There will be no legally binding relationship created with any proponent prior to the execution of a written agreement.

DC may consider any Material Circumstance (as defined above) as disclosed in a proposal or otherwise, and DC may eliminate a proposal from consideration on the ground that a Material Circumstance gives rise to a conflict of interest that DC considers in its opinion would give rise to unfair advantage in the NRFP process, or would otherwise prejudice the integrity of the NRFP process.

H.14 Proponents Not to Promote Their Interest

Proponents must not make any public comment, respond to questions in a public forum or carry out any activities to publicly promote or advertise their interest in this opportunity.
