Q&A #29 to #31

Question #29

As the proposed training is existing University content and the RFP terms are silent on ownership of IP, we want to confirm that the IP, vests with the contractor

Answer #29

That is correct; please refer to RFP amendment #2

Question #30

I notice that on page 16 under section 6.4.1 that the term of the contract is until March 31, 2020. I also note on pages 31 – 36, the RFP outlines options periods, and notes at the bottom of page 36 that the total financial bid pretax is A + B1 + B2 + B3.

Therefore for the financial bid, should we prepare a bid for only A given the term of the initial contract is until March 31, 2020, OR should we prepare a financial bid for A + B1 + B2 + B3?

Answer #30

The financial bid is as explained on page 36

“A = initial contract year

B1 = Option year 1

B2 = Option year 2

B3 = Option year 3

A + B1 + B2 + B3 = _____ (total financial bid pretax)”

Question #31

How will the PHAC evaluate the overall quality (and impact) of the program deliverables as well as ensuring that they meet organizational requirements and deliver value and a return on investment?

Answer #31

The Contractor will develop the syllabus in conjunction with the Contract Authority. The Contracting Authority will ensure that the syllabus fully reflects what was discussed in Phase 1 and 2 in terms of developing the course (Phase 3).
