Amendment 003

This amendment is raised to:

1) Provide answers to bidders' questions:

Question 5: I submitted my bid last week. We were unable to meet the optional extended warranty due to this statement:

"The extended maintenance period price must include all labour, parts, related expenses and preventative maintenance within the extended maintenance service and warranty period."

From reading the addendum this statement is prior to the changes and would assume it is still in the document. In which case I won't amend my bid however if this changes in particular including parts we would reconsider.

Answer 5: The requirement does no longer include optional extended warranty.

Under part 6, resulting contract clauses paragraph 6.2.2 optional requirement:

Delete:

Option to Purchase Extended Warranty, Maintenance and Support: The Contractor grants to Canada the irrevocable option to extend the warranty, and maintenance and support period by five (5) additional one-year periods, exercisable at any time during the Contract Period, under the same terms and conditions and at the prices and/or rates stated in the Contract.

Insert:
