

1.1 GENERAL

- .1 Canada will supply certain materials in the Contract for installation and incorporation into the Work by the Contractor.

1.2 MATERIAL  
SUPPLIED

- .1 Canada will supply the new jib crane and all fixtures and enclosures associated with the new jib crane. Fixtures for the light pole will also be supplied.
- .2 The materials supplied by Canada are to be picked up by the Contractor and delivered to the site. The pick-up location of all materials supplied by Canada is the DFO Storage Facility located on Glencoe Drive, Donovan's Industrial Park, Mount Pearl, NL. Contact Dion Upward, DFO, at 763-5689 to arrange for pick-up times.

1.3 DELIVERY  
REQUIREMENTS

- .1 Materials supplied by Canada will be available for pick-up following acceptance of Bid. Once turned over to the Contractor, the Contractor will be responsible for the materials' delivery to the Work site.
- .2 The Contractor will become responsible to supply all missing materials and repair or replace damaged items and missing parts discovered during transportation of materials to the Work site.
- .3 Failure by Contractor to make a complete check of all Canada-supplied materials and to acknowledge receipt of the same once picked up at the DFO Storage Facility in Mount Pearl, NL shall

not relieve them of this contractual responsibility to replace or repair any item subsequently found to be missing or damaged.

- .4 Departmental Representative will make final determination as to whether an item can be repaired or must be replaced.

1.4 CONTRACTOR'S DUTIES

- .1 Pick-up of Canada-supplied materials at DFO Storage Facility located on Glencoe Drive, Donovan's Industrial Park, Mount Pearl, NL.
- .2 Take possession of Canada-supplied material immediately upon pick-up and be responsible for its transportation to Work site.
- .3 Obtain and pay for services to load materials and transport them to Work site.
- .4 Unload and handle materials at Work site, including lifting, uncrating, etc.
- .5 Store materials on site at a location approved by Departmental Representative. Provide protection against inclement weather and site damage by use of appropriate covers.
- .6 Be responsible for the protection of such materials against damage, loss, theft, and fire from date of receipt, during transportation, loading, unloading, temporary storage, and until final installation of Work is accepted by the Departmental Representative.
- .7 Any damage or loss of such materials

shall result in the Contractor being responsible for replacement or repair of equipment at no cost to Canada.

- .8 The decision as to whether damaged items may be repaired or must be replaced with materials or equipment shall be made by the Department Representative.
- .9 Install and incorporate such material into the Work. Perform assembly and make all connections as required to make items functional.
- .10 Dispose of containers, crafting, and protective covering off site as directed by the Departmental Representative.
