This amendment is issued to Solicitation Number 21C41-187728/A to answer the following questions and make the following changes:

A. Questions from Industry and answers from Canada:

Question 1 – re Item 8 Solid Manure Spreader, spec 8.1 Overall height (with horizontal beaters) and width - is the width measurement meaning the box width or total transport width?

Answer – see sections B & C below.

Question 2 - re Item 8 Solid Manure Spreader - .2 capacity - will you accept a 444 cubic foot for capacity?

Answer – see sections B. & C below

Question 3 – re Item 2 Carted Wheel Rake for forages, spec 2.3 Windrow width - please confirm that desired maximum width is actually 8.7m(28') when the mower requested is only capable of mowing 4.5-5m?

Answer – see sections B. & C below

Question 4 – re Item 6 Round Baler Combination with wrapping capabilities - are you wanting a baler with net wrap or a baler with on board round bale wrapper for separate operation to build the bale then wrap in plastic for silage?

Answer – This item has been removed, please see sections B. & C. below

B. Amendments to Annex A Requirement:

Delete: *in its entirety*

Replace: with the following:

ANNEX "A"
REQUIREMENT

1. Objective

The Correctional Service of Canada (CSC) CORCAN requires Agricultural Machinery to run a livestock operation and cropping farm.

2. Background

CORCAN's mission is to aid in the safe reintegration of offenders into Canadian society by providing employment and employability skills training to offenders incarcerated in federal penitentiaries and following their release to the community, including vocational and on the job training as well as support to find employment in the community.

Research confirms that stable employment has a direct impact on offender recidivism. Through CORCAN work, offenders are placed in pro-social environments, gain a new sense of self and identity, and learn new skills and knowledge. This results in creating safer communities.

3. Scope

The Contractor must supply and deliver one or more of the following items:

- | | |
|--------------------|---|
| Item 1 | One (1) Mower Conditioner |
