

Amendment # 004 to Request for Proposal # CIC – 149855

This solicitation amendment is raised to answer questions from bidders.

Question 10

With the clarifications provided in the amendment 2 & 3 with regards to the experience requirements, we find that we are now in the position to meet the mandatory components and, thus, to be able to provide a submission. However, given that we are now faced with the Holiday Season, it is difficult to obtain the required client reference letters at this time. As such, we would like to respectfully request a one-week extension to the submission date.

Answer 10

CIC will not extend the closing date of the Request for Proposal.
