**Amendment 002**

**Please amend the above mentioned bidding solicitation with the changes here below:**

**1. Question 1:**

Is a sighting scope required with each lantern or sighting scope to be provided separately?

If a sighting scope is not required with each lantern, please specify how many are required in total.  
 (One, one per delivery address or more?)

**Answer 1:**

In the case where a sighting scope is necessary for the horizontal adjustment of the lantern, the manufacturer must include a sighting scope for each delivery address during the first shipment.

1. Modification of the Basis of Payment by Addition of Item 07 – Sighting Scope. Replace Annex C – Basis of Payment for the Request for Standing Offer by this one.

**APPENDIX C - BASIS OF PAYMENT – STANDING OFFER**
