Responses to Questions from Bidders

Q1. confirm mounting for fixture type P11 at hanger and workshop. Luminaire schedule indicating P11 is to be affixed to building, structural drawings indicating otherwise (detail B/S103). If they are to be affixed to hanger and workshop can we get structural mounting details, it appears building construction may be different than as indicated on detail C/S103

A1. Luminaire type P11 affixed to the hangar/workshop shall utilize structural detail C/S103 at all locations. Luminaires at the winch shop shall utilize structural elevation detail B/S103. Provide bid price based on the supplied mounting details. After contract award, revised structural details can be provided if they are found to be required.

Q2. confirm base requirements for fixture type P15

A2. This Question is addressed by the Structural drawing provided with addendum 1.

Q3. confirm access will be provided as required in advance of working in an area with-in scope (parking, boat storage, equipment lay-down areas)

A3. Yes, once the contract is awarded the contractor will have access to the depot area.

Q4. work description indicates contractor to carry costs for first nations observer during all excavation. Is there a contact we can call-upon for their services?

A4. Yes, the contractor estimates how much excavation there is and estimates the cost as per section 1.8 Trenching and Excavating. Yes, there is a contact person with the Tseycum FN with respect to requesting Cultural Observers.
