This Amendment 003 to the Solicitation is raised to address additional inquiries received from potential Bidders and make the following changes to the Minimum Mandatory Performance Specifications in Annex "A" as follows:

Under 7.1 Slat Belt – Motorized Treadmill:

Further to Answer 2 provided in Amendment 002:

“ Motorized Slat Belt Treadmills only. Non-motorized is not acceptable.” This answer applies to Item 7.11 - Motor: Minimum 4 HP.

Item 7.8: Our running surface is 58" L instead of 62" required, will you accept that ?

ANSWER: Yes.

Item 7.11: Will you accept AC 2 HP instead of 4 hp? In the opinion of our OEM manufacturer, because of the high inertia that a slat belt provides compared to a conventional treadmill, the power consumption is way less and therefore there is no need to put in such a big motor.

ANSWER: Yes.

Item 7.13: Can you accept no blue tooth?

ANSWER: Yes. As a result of above inquiry, Item 7.13 is amended to remove minimum requirement for blue tooth.

Under 8.1 Air bike:

Item 8.5: The current airbike width range is a minimum of 22 inch and a maximum of 28 inch. Can the maximum be increased to 29.5"?

ANSWER: Yes, the Air Bike Maximum Width range can be increased to 29.5".

Item 8.12 Can you accept no blue tooth ?

ANSWER: Yes. As a result of above inquiry, Item 8.12 is amended to remove minimum requirement for blue tooth.

QUESTION:

Regarding the Ski Erg warranty, how may we comply to Ski Erg warranty when the manufacture warranty only offers a 5 year warranty on frame, 2 year parts with no offer for 1 year labor warranty?

ANSWER:

Bidders must meet or exceed the warranty period as defined in the bid solicitation under general condition [2010A – Section 09 Warranty](#) referenced in the bid solicitation under Part 6 – 6.3.1 and stated as follows:

The warranty period will be 12 months after delivery and acceptance of the Work or the length of the Contractor's or manufacturer's standard warranty period, whichever is longer.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
