Amendment 001

To all bidders,

NO consideration will be given for extras and/or changes because the Bidder was not familiar with the contents of this Amendment.

This amendment 001 is raised to:

- 1) Answer questions from bidders;
- 2) Modify "Table 1- Product Table".

1) Questions & Answers

Question 1: Category 5 - Item #7 - Would you accept GoCUID KMSLFF24 as an alternative to KMSLFG24?

Answer 1: Yes, we would accept KMSLFF24 as an alternative product.

Question 2: We noticed under the Loading Dock restrictions, it's stated no Freight elevators. Will stair carry be involved?

Answer 2: There is no freight elevator and only a small lift is available to access the floors 2 to 4. Therefore a stair carry will likely be necessary to complete the installation portion only (not for the delivery).

Question 3: Could we get a copy of the CAD drawing?

Answer 3: CAD plans are not available for this requirement.

Question 4: Is base feed or ceiling feed required for each benching station? A layout of this section particularly will be helpful.

Answer 4: No layout is available for this space. Base feed connection for the benching stations are required.

Question 5: Will email or fax submissions be acceptable.

Answer 5: No. Bids must be submitted to the physical location specified in Section 1 of the Request for Bids.

Question 6: It seems like you have panel mounted surfaces without panels and the same amount of C legs as surfaces... Were the C legs (items #4) meant to support the surfaces? If yes, 2 per table are required so the good quantity required for C Legs would be 60, not 30.

Answer 6: Yes, the C legs are to support the surfaces. The good quantity for item #4 Supports- C-Legs is 60.

2) **Modification to “Table 1 – Product Table”**

DELETE: “Table 1 – Product Table” in its entirety.

INSERT: “Table 1 – Product Table” below. Please note that modifications are indicated in red.
