

Innovative Solutions Canada WebEx session on Defence Research and Development Canada challenges

Thank you to everyone who joined or tried to join us for our Defence Research and Development Canada challenges information session in English.

We're really sorry, we had some technical issues and we've postponed the session.

We've fixed the issue and we will be having another English session Wednesday, January 16 at 10:00am (EST)*.

Note: Make sure to call the number on the WebEx screen to connect to audio. Also, for the Q&A portion of the session we will be taking questions via the chat function of WebEx.

Agenda:

- 10:00 to 10:15 — Introducing Innovative Solutions Canada
- 10:15 to 10:30 — Introducing Defence Research and Development Canada Centre for Security and Science
- 10:30 to 10:40 — Overview of the challenges:
 - [Advanced Decision Support for First Responder Command and Control](#)
 - [Logistics and Resource Management of Emergency Response Assets](#)
 - [Head Up Hands Free Fire Fighting](#)
- 10:40 to 10:50 — Questions and Answers regarding Innovative Solutions Canada program**

*Please note that interested suppliers are not obligated to attend in order to provide a proposal

**Please note that only questions related to the program will be answered, questions about specific challenges should be submitted to tpsgc.sic-isc.pwgsc@tpsgc-pwgsc.gc.ca
