This Amendment 002 is issued to publish questions received from the industry and the answers to those questions.

Questions and Answers:

Question 3:

The bidder must provide in Section II of their bid only the form from Annex "B" Basis of payment (page 114 of ABES.PROD.PW__CX.B011.F76174.EBSU000.PDF). They must not provide grid 4.1.2.2 Calculation of total price for evaluation purposes (page 21 of ABES.PROD.PW__CX.B011.F76174.EBSU000.PDF). Is that true?

Answer 3:

Yes. That's right.

Question 4:

4.1.2.2 Calculation of total price for evaluation purposes (page 21 of ABES.PROD.PW__CX.B011.F76174.EBSU000.PDF) is for the purpose of classifying the bidder only and, therefore, the number of hours in column B, 3,910 hours, is not the number of hours budgeted for the project. The bidder selected by PSPC will have to carry out Phase 1 within the maximum budget of \$100,000 and potentially Phase 2 within the maximum budget of \$340,000 (see Annex A, Statement of work on page 32 of ABES.PROD.PW__CX.B011.F76174.EBSU000.PDF) with the hourly rates that the bidder will have provided in Annex B. Is that correct?

Example:

Bidder A provides hourly rates of \$100/hour for all categories of services in Annex B. In table 4.1.2.2: 3,910 hours x \$100/hour = \$391,000. Bidder B provides hourly rates of \$200/hour for all categories of services in Annex B. In table 4.1.2.2: 3,910 hours x \$200/hour = \$782,000.

On par for Section 1, bidder A gets the better mark and the contract is therefore awarded to them.

They must therefore carry out Phase 1 in 1,000 hours maximum by June 19, i.e. \$100,000 divided by \$100/hour.

Answer 4:

Yes. That's right. The calculation of the total cost for evaluation purposes is to determine the evaluation cost of the bid and the hourly rates only.

END OF AMENDMENT 002
