| 1. | <p><b>Q:</b> Where is Roof Assembly R1 on this project?</p> <p><b>A:</b> The Typical Roof Systems are identified on the plan on the lower righthand side of the title bubble for the specific roof assemblies. They are also identified on item 2.2 of Addendum 2. In this case, Roof Area 201 will have the Roof Assembly R1.</p> |
| 2. | <p><b>Q:</b> Can you verify the reference for detail 8/3 on a roof hatch at gridlines B-5 of Roof Area 201?</p> <p><b>A:</b> A revision has been made to the plan which is now referencing detail 20/6; showing the correct detail.</p>  |
| 3. | <p><b>Q:</b> Can you verify the 15/5 reference for the roof curb at grid lines E-12 of Roof Area 101; is it the wrong detail?</p> <p><b>A:</b> We have changed detail 15/5 to better reflect the composition of the new roof system tie-ins.</p>   |
