Solicitation Amendment No. 002 is raised to answer a question from the industry.

Question and Answer

Question # 1: Will it be possible to extend period for questions and closing date by few weeks?

Answer # 1: Unfortunately, this is a year-end requirement for Canada and in order to meet March 29, 2019 delivery and installation for firm requirement, it is not possible to extend the questions and closing date by few weeks. This is a multi-unit purchase, which will require coordination with 3 labs across the country to complete the evaluation and ensure deliverables are met.
