## AMENDMENT #002

This amendment solicitation is raised to answer questions from the industry.

\*\*\*\*\*

**Please see Amendment #001 for questions and answers #1 to #4.**

To answer questions #5 to #9 from the industry:

### QUESTION 5:

Can you please confirm that on this tender, the RCMP is not requiring a Canadian entity to be submitting and responsible for the response, as a representative of the manufacturer? A Canadian entity requirement has been included on most prior RCMP tenders to which we have responded - we want to be sure that is not required for this tender.

### ANSWER 5:

The requirement is subject to a preference for Canadian goods and/or services but it is not conditionally limited to Canadian goods and Canadian services.

### QUESTION 6

We are having a difficult time accessing the following links from the tender documents - documents that are required as part of the response. Can you please advise if there is another way to access this information?

RFP Page No	Section	Description
12	3.3	Link for Foreign Currency Exchange Document: If we want Canada to assume the risks and benefits of exchange rate fluctuation we have to fill out this form.
13	3.6	Security clearance: We have to ensure that we hold a valid security clearance at the required level.
43	6.2	SACC Manual Clause M9033T
46	7.3	All clauses and conditions identified in the Standing Offer and resulting contract(s) by number, date and title are set out in the Standard Acquisition Clauses and Conditions Manual ( <a href="https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual">https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual</a> ) issued by Public Works and Government Services Canada.

#### QUESTION 7

The DVR requirements imply that the user must interface with the DVR frequently enough that be mounted in the passenger compartment of the vehicle. Would the RCMP accept a DVR that was larger than specified, if it did not have to be touched by the user during normal operation and could therefore be mounted in the back of the vehicle without inconveniencing the officer?

#### ANSWER 7:

The size parameters are intended to allow flexibility in the placement of the equipment. Vehicles are becoming more compact and patrol officers are required to carry an increasing amount of equipment in the vehicles, keeping the size of installed equipment to a minimum is important. We are not prepared , at this time, to relax size restrictions.

#### QUESTION 8

Are you able to provide us with an email so we can access ePost Connect?

#### ANSWER 8:

Please refer to Part 3 - OFFER PREPARATION INSTRUCTIONS, section 3.1 Offer Preparation Instructions.

If the Offeror chooses to submit its offer electronically, Canada requests that the Offeror submits its offer in accordance **with section 08 of the 2006 standard instructions**. Offerors are required to provide their offer in a single transmission.

Please see the following link for SACC 2006, section 08:

#### QUESTION 9

Would you have a 'searchable' version of the PDF document for this solicitation?

#### ANSWER 9:

The PDF document currently published on Buy and Sell has the searchable capability by using the Edit > Find function in the Adobe Acrobat Reader.
