**TITLE: TRAINING VALIDATION SERVICES FOR 2 CANADIAN AIR DIVISION HEADQUARTERS
(2 CAD HQ)**

[This Bid Solicitation is issued against the Learning Services Supply Arrangement (SA), PWGSC File No. E60ZH-1800LS. All terms and conditions of the Learning Services SA apply and must be incorporated into any resulting contract.]

This solicitation amendment is to provide clarifications to the Solicitation.

Q2-1. Is it possible for one or more resources to work off-site in a location other than Winnipeg, if they have DWAN access?

A2-1. No, the validation capability for the RCAF is not mature enough at this point to allow for independent unsupervised employment at a distance, therefore the positions must be centrally located on site.

Q2-2. Is there custom or special software, other than MS Office of course, that is to be used in the conduct of this contract? Or can the contractor propose and use such software?

A2-2. No there is no custom or special software. Bidders can propose other software but it is not a requirement, and no extra points will be granted. Bidders might be allowed to use other products but the final deliverable MUST be in a MS office suite product since we require any RCAF person to be able to use the final product.

Q2-3. Is the previous contractor permitted to rebid?

A2-3. Yes, the previous contractor is permitted to rebid.

If your bid has already been submitted, you may wish to revise it. Revisions to your bid can be submitted in a sealed envelope or by facsimile or by ePost, in which the content is clearly identified. Please clearly indicate the content on the envelope, on the cover page or in the subject line, according to your method of presenting your amended proposal.

Any revisions to your bid must be received by the Bid Receiving Unit on or before the time and date stated on page 1 of this document. Any revisions to your bid received after the closing date and time will be considered late and will be returned unopened.
