Amendment 004

This amendment modifies the RFB in accordance with the responses provided to the questions herein.

Q15: The separate specifications mentioned to complete NSA items 4, 5, & 6 for CAT1/2/5 combined and the "additional performance spec" mentioned for CAT6 NSA do not appear in the RFB. Please provide.

A15: Please find additional performance spec attached hereto as "ANNEX A 1.1 – SPECIFICATIONS FOR WORK SPACES"

ANNEX A 1.1 – SPECIFICATIONS FOR WORK SPACES

Part 1 General

1.1 SCOPE

- .1 This specification details the technical requirements, which apply to the furniture for work spaces purchased by the federal government.
- .2 These specifications must be read in conjunction with the full supply arrangement solicitation. All products must meet the latest publications and testing requirements in effect at date of arrangement in response to the Request for Supply Arrangement (RFSA)
- .3 The supplier is responsible for supplying all necessary hardware, trim, connectors, supports, components (including electrical components) and wall mounts etc. to allow the furniture to be installed.
- .4 All categories must be read in conjunction with the latest version of the Government of Canada Workplace Fit-up Standards.

1.2 LIST OF PRODUCTS

- .1 Work Spaces are separated into five categories to support the furniture requirements related to the General-purpose Office Space office space as detailed in the latest Government of Canada Workplace Fit-up-Standards. General-purpose Office Space office space requirements are comprised of the following Categories and items:
 - .1 Category 1:
 - .1 A) Interconnecting Panels:
