Solicitation Amendment 001 is being issued to provide questions and answers to date, as well as to include the Canadian Content Clauses, which were, by error, not included in the original solicitation.

Questions:

- 1) Could you please provide some sense of what products will be requested most frequently by the client – this is not clear. We understand that the requirements seem to be targeted toward “Social marketing campaigns”. What are the products that VA usually require for this? (Poster, pamphlet, Twitter handle, web banner? Annual report, Commemorative book?) This would help us to make sure we submit products/samples that are suitable and meet your needs.
 - a. Typical requests may include designing graphics and infographics for social media and our website, as well as designing online and print publications such as reports, infosheets, pamphlets, postcards, etc.
- 2) Whether companies from Outside Canada can apply for this, and can the tasks (related to the RFP) be performed outside of Canada?
 - a. As this procurement is subject to the Canadian Content Policy, it is limited to Canadian Services. Please see the clauses being added to the request for proposal.
- 3) Whether we need to come over there for meetings?
 - a. Meetings can be held in person or via teleconference.

Canadian Content Clauses:

1) At 1.2 Summary, insert:

The requirement is limited to Canadian services.

2) At 5.2 Certifications Precedent to Contract Award and Additional Information, insert:

5.2.3 Canadian Content Certification

This procurement is limited to Canadian services.

The Bidder certifies that:

() the service offered is a Canadian service as defined in paragraph 2 of clause [A3050T](#)

5.2.3.1 SACC Manual Clause A3050T (2018-12-06), Canadian Content Definition
