Includes a security requirement notice at the bottom.

SOLICITATION AMENDMENT # 003

This solicitation amendment is raised to:

- 1. Address the following question submitted during the solicitation period as per RFP.

1. QUESTIONS AND ANSWERS

Q4:

Just need some clarifications with the schedule before finalizing and sending our proposal.

ROUTE 1 (5 days/week):

Estimated # of days – 261 (2,000 bins)

8:30AM	Pick-up Laval - Western QC		Drop-off Laval
	Drop-off Montreal TSO	12:30 PM	Pick-up Montreal TSO

ROUTE 2 (5 days/week):

Estimated # of days – 261 (1,000 bins)

8:00AM	Pick-up Central and Southern Quebec TSO (Brossard site)		Drop-off Central and Southern Quebec TSO (Brossard site)
	Drop-off Montreal TSO	12:30 PM	Pick-up Montreal TSO

It's roughly 4 hours from pick up location to another pick up location therefore daily rates will be calculated in an **8hour per day service** except for routes 3-5?

A4:

The CRA will not prescribe how to calculate the all-inclusive fixed per diem rates for the scheduled and unscheduled mail pick-up and delivery services. It is up to the Bidders to calculate the all-inclusive fixed per diem rates for the scheduled and unscheduled mail pick-up and delivery services as outlined in Annex A: Statement of Work (ROUTE 1, ROUTE 2, ROUTE 3, ROUTE 4, ROUTE 5, and ROUTE 6).

However, it is expected that the Contractor's calculation includes the time it requires to pick up and drop off the CRA items only. It is not expected that the Contractor includes the time in between runs (of approximately 3.5 hours) in their calculation, as the Contractor could perform services for another organization during this time.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED
