This Amendment to the Solicitation is raised to extend the closing date, address a question received from a potential Bidder, and make change to the solicitation document as follows:

QUESTION:

On page 25 of 33 & 28 of 33 – Item 13 on both pages, it reads: “An hourly rate to be charged for work exceeding “Normal Per Call”. This rate applies to large buildings or infestations requiring investigative work.”

Does this mean, the charge for hourly rate with time spent at a site to either inspect, investigate, recommend or provide a proposal report? Or does it mean the actual, physical performing of any type of exclusion work with installation of materials, product and/or equipment?

ANSWER:

Hourly rate would be for actual physical performing any type of exclusion work with installation of materials, product and or equipment. Materials, product and equipment would be an additional cost, on top of the hourly time provided.

As a result of the above bidder inquiry, the Basis of Payment in Annex “B” is amended as follows:
