1 SECTION 1 GENERAL INFORMATION

1.1 Overview of Section 1

The purpose of this section is to provide general information about CMHC and this Request for Proposal.

1.2 Introduction and Scope

Canada Mortgage and Housing Corporation (CMHC) wishes to enter into a contract with a vendor for the purpose of providing a comprehensive, integrated media monitoring and analysis solution.

This contract shall begin June 1, 2019 and be for a period of two years, with two, additional one-year potential renewal options, not to exceed a cumulative total of 4 years.

1.3 CMHC Background

CMHC is the Government of Canada's National Housing Agency, with a mandate to help Canadians gain access to a wide choice of quality, affordable homes. It is a Crown corporation, with a Board of Directors, reporting to Parliament through the Minister of Employment and Social Development, Minister for Democratic Reform, and Minister responsible for Canada Mortgage and Housing Corporation, the Honorable Jean-Yves Duclos.

CMHC has approximately 1,800 employees located at its National Office in Ottawa, and at five Business Centers throughout Canada: Atlantic; Quebec; Ontario; British Columbia; and Prairies & Territories.

1.4 Purpose of Request for Proposal

By issuing this RFP and accepting proposals, CMHC assumes the obligation of conducting the process in a fair and transparent manner. CMHC has no obligation to procure any services, or to compensate any Proponent for work done other than as may be set out in a written Agreement with that Proponent.

CMHC uses an RFP to describe its requirements, ask Proponents for their proposed solutions, describe the criteria which will be used in evaluating proposals and selecting a lead Proponent, and outline the terms and conditions under which the lead Proponent will operate or supply goods and/or services. By submitting a proposal, Proponents agree to be bound by the terms of this RFP and the terms of the proposal that they submit.

In this RFP process, proposals and Proponents are evaluated in terms of ability to satisfy the stated requirements, while providing best value to CMHC with respect to its requirements.

1.5 Service Providers Database

CMHC utilizes the Supplier Information (SI) database, maintained by **Public Works and Government Services Canada** as the Official CMHC source list.

All Proponents must be registered with Public Works and Government Services Canada prior to submitting a proposal. The Procurement Business Number (PBN) provided by this registration must be included with your proposal. If Proponents are not registered and wish to do so, please access <https://buyandsell.gc.ca/for-businesses/selling-to-the-government-of-canada/register-as-a-supplier>

1.6 Schedule of Events

The following schedule summarizes significant target dates for the RFP process. These dates are objectives only, and they may be changed by CMHC at its sole discretion. They shall not be considered terms or conditions under which the RFP will be conducted.

Date	Activities
February 6, 2019	Issue Date of RFP
February 14, 2019	Deadline for Questions
March 7, 2019	Submission Deadline
March 2019	Evaluation - lead Proponent
April 2019	Anticipated execution of Agreement

1.7 Mandatory Requirements

This RFP contains mandatory requirements as identified by using “must”, “shall” and “will” throughout this RFP which denote imperative (“mandatory”). In addition, this RFP contains mandatory submission requirements and mandatory technical requirements as outlined in Section 5 – Evaluation and Selection.

Proposals which fail, in the reasonable discretion of CMHC, to meet any mandatory requirement will be eliminated from further consideration in the evaluation process. Notwithstanding the foregoing, CMHC reserves the right to waive or revise any mandatory requirements during the RFP process if a waiver or revision is necessary to meet the CMHC’s intent in issuing the RFP. In the event that CMHC elects to waive or revise a mandatory requirement, all Proponents will be advised of the change in requirements and provided with an opportunity to revise their proposals as noted in section 2.4.

1.8 Procurement Policy Re: The Environment

CMHC fully supports the principle of sustainable development. Economic development and the preservation of the environment are each given consideration in the RFP process to help ensure that the actions of one generation do not compromise the ability of future generations to have an equal quality of life. To this end, CMHC is dedicated to integrating sound environmental practices into its procurement practices.

1.9 Direct Deposit and Income Tax Reporting Requirement

All payments and transfers of funds under any resulting contract will be made by means of EFT direct deposit, unless an exception is requested in the proposal and is approved prior to execution of a contract.

As a federal Crown Corporation, CMHC is obliged under the *Income Tax Act* and its associated regulations to report payments to suppliers of goods and/or services by using a T1204

supplementary slip. Proponents are therefore required to provide the necessary information, including the proponent's social insurance number and/or corporate identification number, with their proposals in order to allow CMHC to complete the T1204 supplementary slip. The lead proponent will be required to complete and sign a Supplier - Direct Deposit and Tax Information Form (CMHC/SCHL 3085) prior to the commencement of the term of any resulting agreement. Throughout the term, the Contractor will be required to ensure that the information provided remains accurate and up to date. The Contractor assumes full responsibility for and indemnifies CMHC from and against any errors in payments or tax reporting that arise because the information supplied is inaccurate or out of date.

1.10 Proponent Feedback

CMHC aims to continuously improve its bid documents and procedures. CMHC welcomes input regarding Proponent experience in responding to its RFPs, whether it be positive or negative. As CMHC does not wish to be perceived as influenced by such feedback in the award decision, Proponents are requested to submit their feedback after an Agreement has been executed or the RFP process has been terminated.

Proponents wishing to provide feedback may submit comments labeled as *Proponent Feedback RFP000076* to the name and address provided in Section 2.4.

Any Proponent who notes a material flaw in the RFP that could prevent the process from being conducted in a fair and objective manner, or that could prevent CMHC from receiving best value from the process, is asked to report the flaw to CMHC as soon as possible, using the inquiry process specified in Section 2.4.

2 SECTION 2 SUBMISSION INSTRUCTIONS

2.1 Overview of Section 2

The purpose of Section 2 is to inform the Proponents about CMHC's procedures and rules pertaining to this RFP process.

2.2 Certificate of Submission

MANDATORY

The Certificate of Submission, attached as Appendix B, summarizes some of the mandatory requirements set out in the RFP. As noted in Section 1.8, it is also a mandatory requirement that a proposal include a Certificate of Submission (or an accurate reproduction) signed by the proponent.

Should a proponent not include the signed Certificate of Submission with its proposal, the proponent will be notified by CMHC and will have 48 hours from the time of notification to meet this requirement.

2.3 Delivery Instructions and Deadline

Timely and correct delivery of proposals to the exact specified proposal delivery address is the sole responsibility of the proponent. All risks and consequences of a failure to deliver a proposal to CMHC are borne by the proponent. CMHC will not assume those risks or responsibilities under any circumstances.

The time of delivery for the purposes of this section is deemed to be the time recorded by the CMHC system receiving the proposal, and not the time the proposal was sent by the proponent.

Please be advised that EBID has a size limitation 10 MB. It is advisable and recommended that Proponents submit larger proposals in multiple smaller files.

Upon receipt of proposals, an automated confirmation will be issued by EBID to the sender's e-mail address. It is strongly recommended that proponents follow up with the inquiries person named in Section 2.4 should they not receive said confirmation within 30 minutes of submission.

Please be advised that electronic transmissions may not necessarily be immediate and can experience lengthy delivery delays. Proponents should ensure that sufficient delivery time is allowed, as they assume the risk of delays in transmission and receipt.

Address for Delivery

Proposals, including all supporting documentation, are to be sent electronically to the following e-mail address:

EBID@cmhc-schl.gc.ca

The subject line of the transmission must state: *CMHC RFP000076* and *company name*.

Please also indicate the number of emails submitted e.g. email 1/1 or 1/3, 2/3 and 3/3 as applicable.

Format

Proposals may be submitted in MS Word or Adobe Acrobat PDF.

Rich Text formatted or Compressed (Zipped) documents cannot be opened by CMHC and will not be considered.

Proposal Opening and Verification Period

All EBID proposals received on or before the closing date and time specified in this RFP, will be opened for verification by CMHC. If at that time, CMHC is unable to open a proposal, the proponent will be so advised and provided an opportunity to resubmit a version that can be opened within 2 hours of notification.

2.3.1 Submission Deadline

MANDATORY

Your proposal must be **received** at the exact location as specified above, on or before the submission deadline set as:

2:00 p.m. Eastern Standard Time, on March 7, 2019

Proposals arriving late will be automatically rejected, and the sender will be so notified by e-mail.

2.4 Inquiries

All questions regarding this RFP must be sent by e-mail to the following contact person:

Tracy Rutherford, Procurement Officer

trutherf@cmhc-schl.gc.ca

Changes to this RFP document will only be effective if issued by CMHC in writing as described below. Proponents are therefore strongly cautioned to request that all clarification, direction and changes be provided in writing, as information given orally by any person within CMHC shall not be binding upon CMHC.

All written questions submitted, which in the opinion of CMHC raise an issue that has the potential to affect all proponents, will be answered by CMHC in writing and distributed to all proponents by e-mail or GETS. The identity of the proponent making the inquiry will not be included in the response. Any questions of a proprietary nature must be clearly marked as such.

In the event that it becomes necessary to revise any part of the RFP as a result of any inquiry or for any other reason, an addendum to this RFP will be provided to proponents by e-mail or GETS.

CMHC has no obligation to respond to any inquiry, and will determine, at its sole discretion, whether it will respond to inquiries that are submitted. CMHC cannot guarantee a reply to inquiries received less than seven calendar days prior to the closing date.

2.5 Communication

During proposal evaluations, CMHC reserves the right to contact or meet with any individual proponent in order to obtain clarification of its submission, including clarification of the scope of services offered. Any such communication is limited to clarification purposes only, and proponents will not be allowed to revise their proposal during this process.

2.6 Proponent Contact

The proponent shall name a person in their proposal to act as a primary contact for CMHC during the evaluation period. A secondary contact should also be provided for backup purposes.

2.7 Offering Period

MANDATORY

It is a deemed condition of every proposal that the terms of the proposal, including all terms relating to pricing, shall remain valid and binding on the Proponent during the RFP process and until such time as an Agreement is negotiated and executed.

2.8 Changes to Proposals

Changes to a proposal are permitted, provided that they are received as an addendum to, or clarification of, a previously submitted proposal, or as a new proposal that replaces and supersedes the proposal that was previously submitted and be received no later than the submission deadline.

Any addendum, clarification, or new proposal must be submitted as per the delivery instructions outlined in Section 2.3, be clearly marked “**REVISION**” and be received no later than the submission deadline. Where the new proposal is intended to replace all or part of an earlier proposal, it must be accompanied by a clear statement specifying the sections of the earlier proposal that are replaced by the new proposal.

2.9 Multiple Proposals

Proponents interested in submitting more than one (1) proposal for consideration may do so, provided that each proposal independently complies with the instructions, terms and conditions of this RFP.

2.10 Acceptable Alternative

An alternative to any portion of a proposal may be submitted as an addendum to a proposal. Where the alternative proposal relates to a mandatory requirement, the alternative must meet that requirement.

2.11 No Liability

While CMHC has made considerable efforts to ensure that the information in this RFP is accurate and complete, it is possible that errors may exist. The information is not guaranteed or warranted to be accurate by CMHC, nor is it necessarily comprehensive or exhaustive. CMHC will have no liability of any kind to proponents for losses or damages arising from any errors that may be found in the RFP, regardless of how the errors are caused. Proponents remain obliged to make their own investigation of relevant information and to form their own opinions and conclusions in respect of the matters addressed in this RFP.

By submitting a proposal, proponents waive any claim or cause of action that they may have against CMHC or its representatives as a result of the conduct of this RFP process or any resulting contract award, except insofar as they have proof of willful misconduct on the part of CMHC or its representatives. Proponents agree that they will not bring a court action or institute any other proceedings against CMHC for damages arising from the conduct of this RFP or any resulting contract award. This section is intended to be a complete waiver of the proponent's right to claim damages subject to the limited exception noted above.

2.12 Verification of Proposals

The proponent authorizes CMHC to conduct such investigation as it deems appropriate to verify the contents of the proponent's proposal.

2.13 Ownership of Responses

All proposals and related materials become the property of CMHC upon submission and CMHC shall have all intellectual property rights in those proposals and materials. Proposals and related materials will not be returned to Proponents. Proponents are not entitled to any compensation for any work related to, or materials supplied in the preparation of their proposals.

The Proponent warrants that the Proponent possesses all rights necessary to satisfy this requirement. The Proponent hereby certifies that it has waived, or has obtained a waiver in favour of CMHC of, all moral rights in the proposal and related materials, and hereby assigns all rights in the material, as provided for in the law of copyright. The Proponent agrees to execute any document requested by CMHC acknowledging CMHC's ownership of the material and the waiver of moral rights therein.

All information regarding the terms and conditions, financial and/or technical aspects of the Proponent's proposal which are of a proprietary or confidential nature, must be clearly marked "**PROPRIETARY**" or "**CONFIDENTIAL**". Proprietary and confidential markings shall be included beside **each item or at the top of each page containing information that the Proponent wishes to protect from disclosure.**

CMHC will take steps to protect Proponents' documents and information so marked from disclosure. Notwithstanding the foregoing, CMHC shall have no liability of any kind to Proponents based on the inadvertent or unintentional disclosure of proprietary information.

Proponents are further advised that as a Crown Corporation, CMHC is subject to the federal legislation with respect to access to information and privacy. In certain specific circumstances, information submitted to CMHC by third parties may be required to be disclosed pursuant to federal legislation. In such cases, to the extent reasonably possible, CMHC will make efforts to advise the Proponent of the required disclosure prior to releasing the information.

2.14 Proprietary Information

Information about CMHC that is contained in this RFP document is to be considered proprietary information of CMHC. It is made available for the sole purpose of providing proponents with sufficient information to prepare responses to the RFP. Proponents and other readers of this document may not make any other use of information contained in the RFP.

2.15 Corporation Identification

Proponents agree that they will not make any use whatsoever of CMHC's name, logo or other official marks without the express written consent of CMHC.

2.16 Declaration with respect to Gratuities

By submitting a proposal, the proponent certifies that no representative of the proponent, or any individual or entity associated with the proponent has offered or given a gratuity (e.g. an entertainment or gift) or other benefit to any CMHC employee, Board member or Governor-in-Council appointee with the intention of obtaining favorable treatment from CMHC.

2.17 Conflict of Interest

The proponent and its principals, employees and agents shall avoid any real, potential or apparent conflict of interest during the RFP process, and upon becoming aware of a real, potential or apparent conflict, shall immediately declare the conflict to CMHC. The proponent shall then, upon direction of CMHC, take steps to eliminate the conflict, potential conflict or perception that a conflict of interest exists.

The successful proponent must not provide any services to any third party in circumstances that might reasonably give rise to a conflict of interest between the proponent's duties to that third party and the proponent's duties to CMHC.

In the event that a conflict of interest, real, potential or perceived, cannot be resolved to the satisfaction of CMHC, CMHC shall have the right to immediately eliminate the proponent from consideration under the RFP or to terminate the resulting agreement. Upon such elimination or termination, CMHC shall have no obligation of any nature or kind to the proponent.

2.18 Declaration with respect to Bid Rigging and Collusion

By submitting its proposal, the Proponent certifies that:

- (a) prices as submitted in its proposal have been arrived at independently from those of any other Proponent;
- (b) the prices as submitted have not been knowingly disclosed by the Proponent, and will not knowingly be disclosed by the Proponent prior to award, directly or indirectly, to any other Proponent or competitor; and
- (c) no attempt has been made, nor will be made, to induce any other person to submit, or not to submit, a proposal, for the purpose of restricting competition.

2.19 Security Clearance

CMHC requires employees of the selected Proponent to be security cleared in order to permit them access to CMHC premises when and if required. This process normally takes approximately five (5) working days, but may take longer, depending on the circumstances.

If they are not security cleared, the Proponent or its employees will require an escort by a CMHC employee if required to access CMHC premises and will not be granted access to CMHC information and systems or any confidential information. Where the required security clearance is not granted to an individual, CMHC will have the right to exclude that individual from performing the services outlined in this RFP. The failure of an individual to obtain security clearance shall not relieve the successful Proponent from any of its obligations under this RFP and any resulting Agreement.

2.20 Joint Venture Responses

Joint venture proposals should adequately represent and communicate the proposed roles and responsibilities of each party participating in the joint venture, and must provide a detailed description of the proposed joint venture business arrangement. The description must, at a minimum, list the companies involved, indicate how long the business arrangement has been (or will be) in existence, outline the goods or service(s) that each respective party would be providing and describe the proposed roles and responsibilities of each party.

The proponent shall designate one of the entities participating in the joint venture as the contact person for the purpose of this RFP process. All communications between the proponent and CMHC will be directed through the contact person.

Joint venture responses must be accompanied by a signed Certification of Submission from each participating entity. Refer to Section 2.2.

2.21 Non-Disclosure of CMHC Information

Under this section, “CMHC Information” refers to any and all information of a confidential nature, including all personal information, which is managed, accessed, collected, used, disclosed, retained, received, created or disposed of by CMHC in order to complete this RFP process and to fulfill the requirements of any resulting Agreement. Without limiting the generality of the foregoing, CMHC Information includes information held in any format and information provided directly, indirectly to the Proponent.

The Proponent understands and agrees to treat all CMHC Information as proprietary, confidential and sensitive, unless otherwise specifically agreed to in writing by CMHC. The Proponent agrees to restrict access to CMHC Information to those persons who have a need to know this information in order to prepare the Proponent's response to this RFP, or perform the work or services under any resulting Agreement.

The Proponent further acknowledges and understands that all CMHC Information is subject to Canadian laws on privacy and access to information under which CMHC is bound and that CMHC considers CMHC information to be under its custody and control at all times.

The Proponent shall ensure that CMHC Information remains in Canada and expressly agrees to segregate CMHC Information (whether in electronic format or in hard copy) from any other information by electronic or physical means. Without limiting the generality of the foregoing, the Proponent shall not and shall ensure that any subcontractor, reseller, agent or any other person engaged to perform any part of the work or services does not release, share or otherwise divulge CMHC Information to any other person including subsidiaries, branch offices, partners or subcontractors of the Proponent without the prior written consent of CMHC.

Where disclosure of CMHC Information is required pursuant to a lawful requirement or for the purposes of complying with a subpoena or warrant lawfully issued or lawfully made by a court, person or body, the Proponent shall notify CMHC promptly after discovering the potential of disclosure of the CMHC Information so that CMHC has the opportunity to seek a protective order or other appropriate remedy.

The Proponent also agrees that in the event that disclosure of CMHC Information is required by a valid and applicable law, it shall, in co-operation with CMHC, act in good faith to prevent access to CMHC Information including but not limited to taking appropriate legal action against disclosure, providing information and other assistance in order for CMHC to take appropriate legal action against disclosure, and ensuring that disclosure is strictly limited to the information lawfully requested.

3 SECTION 3 STATEMENT OF WORK

3.1 Overview of Section 3

This section of the RFP is intended to provide the prospective proponent with the information necessary to develop a competitive proposal. The Statement of Work is a complete description of the tasks to be done, results to be achieved and/or the goods to be supplied

3.2 Mandatory Requirements

A mandatory requirement is a minimum standard that a proposal must meet in order to be considered for further evaluation.

Any mandatory requirements associated with the Statement of Work are clearly identified in Section 4 - Proposal Requirement.

The Mandatory Compliance Checklist is located at Appendix C (7.3).

3.3 Statement of Work

Requirements

The system must include or allow for integration of print, online, television and radio news clippings (articles/stories) from a variety of national and regional news outlets.

Users must be able to access news clippings (articles/stories) and legible transcripts of broadcast notes within minutes of publication or broadcast.

Users must have the ability to provide press reviews, clippings packages or newsletters daily. This document must be responsive to various electronic platforms (i.e. mobile, tablet, etc.). Users must also have the ability to distribute via e-mail any articles captured to hundreds of CMHC employees and post the press review on CMHC's Intranet.

Users must be able to create a large number of keywords and edit them at any time. Users must be able to navigate easily in the platform without technical issues or complex settings. The options within the platform should be easy to find and use.

The proponent must provide separate pricing for its platform and any integrated sources, if applicable. Should the contract be awarded to a vendor whose platform includes sources, CMHC reserves the right to avail itself of the integrated sources.

The system must include an analytical reporting tool that allows users to analyse media coverage and create visual representations of this analysis.

Open API system – preference will be given to a system that allows for the centralization of raw data in a data lake.

1. Media monitoring and alerts

The platform will monitor and deliver quickly and efficiently relevant media items according to keywords identified by CMHC from the following media sources: print, television, radio and Internet. News stories should be made available in the portal a few minutes after airing (broadcast sources) or posting (web sources). Print articles should be made available in the portal no later than 5:30 a.m. EST.

1.1 Print

The platform will provide electronic delivery of full-text articles from English and French daily newspapers as well as English and French weekly (community) newspapers and consumer and trade publications published in Canada. Articles must be available without exiting to a separate screen.

The proponent must provide a list of all print and electronic sources accessible within their portal.

1.2 Broadcast

The platform will provide as-it-happens summaries from national, regional and local television and radio news across Canada, in English and French. This service must include access within the portal to video clips and electronic transcripts of news stories shortly after they air. The proponent must provide a list of all television and radio sources accessible within their portal, as well as a sample of an unedited transcript in English and French.

1.3 Web

The platform will provide access to French and English web-based articles containing content related to CMHC’s keywords.

2. Media Searches

The system must allow for the archiving and organization of articles related to CMHC, based on keywords provided by CMHC. The system must also provide a search engine that will enable users to perform searches throughout the day and capture all content (print, broadcast and all web coverage) within minutes of their release. The archived material must be available for searching by keyword for at least two years.

3. Media Analysis

The system should include an interactive dashboard that generates live data and gives meaning to CMHC-related media coverage through charts and graphs, based on selected keywords, over the short- and long-term. Users will be provided with access to these tools and the raw data. An open API system, i.e. one that allows for the centralization of raw data in a data lake – is preferred. Measurement tools should be an integral part of the system (such as broadcast reach, print circulation, unique visitors, etc.). In addition, the system should allow users to determine the tone

of the media coverage captured (system-generated, with manual override capability). Reporting features must be provided to assess coverage and produce media reports that are exportable in Excel and CSV formats for further in-house analysis, and which can be distributed via e-mail within CMHC. Users should be able to produce pdfs of print and web articles/broadcast notes, preferably with a table of contents.

4. Technical Support

If a technical problem with the system should occur, the proponent must be able to provide immediate technical support from early morning to late afternoon on weekdays.

4 SECTION 4 PROPOSAL REQUIREMENTS

4.1 Overview of Section 4

Proposal responses are to be organized and submitted in accordance with the instructions in this section. Responses should be organized into the following Response Item sections.

4.4	Proponent's Qualifications
4.5	Response to Statement of Work
4.6	Financial Information

Elaborate or unnecessarily voluminous proposals are not desired. Proponents are encouraged to take care in completely answering questions and proposal requirements and to avoid submitting extraneous materials that do not show how the proponent intends to meet requirements.

Requirements for each Response Item are detailed below.

4.2 Mandatory Proposal Requirements

Certain requirements in section 4 are identified as mandatory. See Section 1.7 Mandatory Requirements.

4.3 Covering Letter

A covering letter on the proponent's letterhead shall be submitted and include the following:

For each contract, the following information must be provided: company name and address; contact person name and phone number and a brief description of the nature of the work completed under contract. CMHC may approach any such contact person for information relating to the quality of work provided by the proponent.

4.5 Response to Statement of Work

MANDATORY

In this section, the proponent should provide detailed information relative to the specifications listed in Section 3, The Statement of Work.

In addition, detailed responses to the requirements should describe how the proposal meets each requirement listed and any deficiencies should be identified and remedial action explained. The proponent should describe the flexibility of the service where it is over and above that stated as a requirement.

4.6 Financial Information

MANDATORY

Proponents are not expected to submit confidential financial information with their proposal, however CMHC reserves the right to conduct an assessment of the lead Proponent(s) financial capacity. Once a lead Proponent is selected following the RFP evaluation process, CMHC may request the financial information necessary (such as a credit check or balance sheet etc.) to confirm the financial capacity of the lead Proponent and the lead Proponent must provide the information within seventy two (72) hours of the request.

Failure to comply with the financial information submission requirements set out in this section, will result in disqualification of the lead Proponent(s) at which time no further consideration will be provided to the respective submission(s).

4.7 Pricing Proposal

MANDATORY

All prices and amounts of money in the proposal are to be quoted in Canadian dollars and be exclusive of the Goods and Services Tax (GST), Harmonized Sales Tax (HST), and Provincial Sales Tax (PST), as applicable, unless otherwise indicated.

The proponent must submit a fixed (firm) **monthly** price for all services related to this RFP, for the duration of the initial two-year contract. In addition, the proponent must indicate how the fixed price was calculated, referencing the following:

- a) Monthly cost for platform, without sources, including access to 10 user accounts;
- b) Separate monthly cost for proponent's integrated sources, if applicable;
- c) Details on how the number of readers (or viewers) affects the total cost of the proposal;
- d) Additional costs related to viewing and/or saving digital video (audio) clips: cost per clip.
- e) Also, please specify whether bundle rates are available (for example, special rate for 50 clips per month).

5 SECTION 5 EVALUATION AND SELECTION

5.1 Overview of Section 5

Section 5 describes the process CMHC will use to evaluate proposals, select a lead Proponent and finalize and sign an Agreement.

CMHC commits to conducting the evaluation process in a fair and objective manner and treating all proponents equitably. To this end, it has set out detailed terms and conditions and evaluation criteria which will be applied uniformly to all proponents.

CMHC intends to conduct the RFP process such that the proposal that represents the best value to CMHC, based on its operational requirements, is selected. The lowest cost proposal will not necessarily be selected. CMHC reserves the right to reject any or all proposals in whole or in part on the basis of this principle.

5.2 Limitation of Damages

The proponent, by submitting a proposal, agrees that it will not claim damages in excess of an amount equivalent to the reasonable costs incurred by the proponent in preparing its proposal for matters relating to the agreement or in respect of the competitive process, and the proponent, by submitting a proposal, waives any claim for loss of profits if no agreement is made with the proponent.

5.3 Evaluation Table

The Evaluation Table as provided in Appendix “B” lists all the criteria upon which each proposal will be evaluated. The criteria are based on the requirements as provided in this RFP.

5.4 Evaluation Methodology

Each proposal will be examined to determine compliance with each mandatory requirement identified in this RFP. A proposal must comply with all of the mandatory requirements in order to proceed in the evaluation process. A proposal which is deemed by CMHC to be non-compliant in one or more mandatory requirements will be eliminated from further consideration. A proposal which meets all the mandatory requirements will be deemed compliant and will proceed in the evaluation process.

Each compliant proposal shall be individually evaluated by each member of the Evaluation Committee, made up of qualified personnel. Evaluators shall evaluate and numerically score each proposal in accordance with the evaluation criteria as shown in the Evaluation Table, Appendix "B". Once individual evaluations are complete, the Evaluation Committee will discuss and agree upon a final score for each proposal.

Each proponent shall then be evaluated using the “greatest score” methodology, where the proponent with the highest overall score will be named the lead proponent.

5.5 Proponent Selection

Acceptance of a proposal does not oblige CMHC to incorporate any or all of the accepted proposal into a contractual agreement, but rather demonstrates a willingness on the part of CMHC to enter into negotiations for the purpose of arriving at a satisfactory contractual arrangement with one or more parties.

Without changing the intent of this RFP or the lead proponent's proposal, CMHC will enter into discussions with the lead proponent for the purpose of finalizing the contract. If at any time CMHC decides that the lead proponent cannot satisfy CMHC's requirements, CMHC may terminate negotiations. If at this time CMHC feels that the secondary proponent may meet the requirements, CMHC will continue the process with the secondary proponent and so on.

Announcement of the successful proponent will be made to all proponents following the signing of a contract.

6 SECTION 6 PROPOSED CONTRACT

6.1 Overview of Section 6

Attached in Section 6.2 is a draft agreement containing terms and conditions that will form the basis of the agreement resulting from this RFP. CMHC reserves the right to add, delete or revise terms and conditions during negotiations.

Terms and conditions identified as “Mandatory” in the RFP or draft Agreement must be included in the agreement. The proponent’s proposal and all associated correspondence from the proponent, where relevant, shall to the extent desired by CMHC, also form part of the resulting contract.

Submission of a proposal constitutes acknowledgement that the proponent has read and, unless otherwise stated in the proponent’s proposal, agrees to be bound by the terms and conditions in the draft agreement in the event that the proponent is selected by CMHC to enter into a contract.

For the purposes of this section the term “Contractor” refers to the successful proponent with whom CMHC enters into an agreement.

3.5.2 Direct Deposit and Income Tax Reporting Requirement

As a federal Crown Corporation, CMHC is obliged under the Income Tax Act and Regulations to report payments to suppliers of goods and/or services by using a T1204

Any documents provided to the Contractor in the performance of the Services shall be returned, uncopied to CMHC or destroyed by the Contractor immediately following the termination of this Agreement. For documents not returned to CMHC, the Contractor shall provide specific proof under oath of their destruction.

The Contractor shall ensure that CMHC Information shall remain in Canada and expressly agrees to segregate CMHC Information, whether in electronic format or in hard copy, from other information by physical or electronic means. Without limiting the generality of the foregoing, the Contractor shall not and shall ensure that any subcontractor, reseller, agent or any other entity engaged to perform any portion of the Services does not release, share or otherwise divulge CMHC Information to any other entity including subsidiaries, branch offices, partners of the Contractor or subcontractors without the prior written consent of CMHC.

Where disclosure of CMHC Information is required pursuant to a lawful requirement or for the purposes of complying with a subpoena or warrant lawfully issued or lawfully made by a court, or other competent authority, the Contractor shall notify CMHC promptly after discovering the potential of disclosure of the CMHC Information so that CMHC has the opportunity to seek a protective order or other appropriate remedy.

The Contractor also agrees that in the event that disclosure of CMHC Information is required by a valid and applicable law, it shall, in co-operation with CMHC, take all reasonable steps to prevent access to CMHC Information including but not limited to

To the extent that CMHC's actions contribute to the loss or damages, CMHC shall be responsible for its proportionate share of the liability. The indemnification applies whether the actions, suits or proceedings are brought in the name of CMHC or in the name of the Contractor. The Contractor shall be fully responsible to CMHC for the acts and omissions (including negligence) of its subcontractors and of persons directly or indirectly engaged by such subcontractors as if such acts and omissions were those of the Contractor.

CMHC shall have the right to assume control of its own defense at any time, provided that it assumes the costs of its defense.

4.4. Independent Contractor

It is understood by the Parties that the Contractor shall act as an independent contractor for the purposes of the Agreement. It and its employees, officers, agents and contractors are not engaged as employees of CMHC. The Contractor agrees to so advise its employees, officers, agents and contractors.

Without limiting the generality of the foregoing, the Contractor shall retain complete control of and accountability for its employees, agents and contractors. The Contractor shall prepare and process the payroll for its employees directly, and shall withhold and/or pay all applicable employment taxes and statutory payroll deductions required in respect of its employees. The Contractor shall, upon direction of CMHC, take steps to eliminate any conflict, potential conflict or perception that a conflict of interest exists.

The Contractor must not provide any services to any third party in circumstances that might reasonably give rise to a conflict of interest between the Contractor's duties to that third party and the Contractor's duties to CMHC.

In the event that a conflict of interest, real, potential or perceived, cannot be resolved to the satisfaction of CMHC, CMHC shall have the right to immediately terminate the Agreement. All work product that has been completed at the date of termination shall be forwarded to CMHC and CMHC shall be liable for payment to the Contractor of an amount which, in the sole opinion of CMHC, constitutes reasonable payment for the partial performance of the Contractor's obligations under the Agreement. Upon such payment, CMHC shall have no further obligation of any nature or kind to the Contractor.
