Amendment 001 is being raised for the following:

- 1. Provide a response back from Public Works and Government Services Canada to questions received from bidders.**

-
- 1. Provide a response back from Public Works and Government Services Canada to questions received from bidders.**

Q1. Is there a maximum amount of items an offeror can skip giving a firm price for? Would this make their bid be considered non complaint?

R1. No, the Lowest Evaluated Price will be on an item by item basis. In the event that an offeror does not provide a Firm Unit of Issue Price for an item the, highest Firm Unit of Issue Price among their competitors' offers will be used for the purpose of calculating the Evaluated Price for this item. In the event that all offerors do not submit pricing for a particular line item, the item will be removed from the evaluation and the resulting Standing Offer.

If your tender has already been forwarded and you wish to revise same, this revision should be faxed and reach the bid receiving area before the closing date. The tender number and the closing date are to be shown on the first page of your fax.
