The carbon credits come from projects located within a 1000 km radius of the Manoir Richelieu in Charlevoix (181 Rue Richelieu, La Malbaie, Quebec G5A 1X7 Canada)*

To demonstrate compliance with this criterion, the bidder must provide a list of selected projects and their location (geographic coordinates, postal address or other).

It is strongly recommended to provide a map showing the location of the projects. If necessary, the map could be requested for evaluation purposes.

Maximum score: 100

Rating scale:

- 50 points: between 50% and 100% of projects are located between 501km and 1000km radius of the Manoir Richelieu.

- 100 points: between 50% and 100% of projects are located in the 500km radius of the Manoir Richelieu.

Canada reserves the right to verify the geographic coordinates of projects with a georeferenced system or by using Government of Canada's topography services.

* See the map in Annex D for the 500km and the 501-1000km radius.
