Solicitation Amendment 004 is raised to respond a Bidder's question.

**Question:**

With respect to the Lubicon Lake Band Community Infrastructure Project RFP (File: fk290.A2114-180001), can you please advise whether the successful consulting team members would be precluded from participating in the later design stages of the project?

**Response:**

As stated under **section 2.5** in the Funding Agreement Annex "Attachment 1 to Annex 2 – Feasibility and Pre-Design Studies Statement of Work":

**« 2.5 Eligibility to Quote Detailed Engineering and Design (Project Phase 2)**

The Feasibility and Pre-Design Consultant(s) will not be eligible to bid on the Detailed Design which is to be performed during Phase 2 of the Project. »

Further, **Section 3.3** in the Funding Agreement Annex "Section 1 of Annex 2 – Project Management Services Statement of Work" states the following:

**« 3.3 Phase 2 – Detailed Design**

Phase 2 will begin upon issue of the order to proceed by DISC, following the granting of Phase 2 Expenditure Authority. Tasks should include the development of detailed design documents, Class A and B cost estimates, reports, and drawings based on the outcomes of the **Feasibility and Pre-Design Studies, pre-engineering, and logistics prepared by the PM** and the oversight of the Extra Works construction.

These deliverables will be completed by the Design Consultant(s). **This team will be comprised of third party** architects and engineers, in their area of expertise and licensed in the province of Alberta, assembled into a single entity. **They will be contracted by the PM** through their Funding Agreement based on the tendering results of the Detailed Design service Package in Phase 1. **The Feasibility and Pre-Design Consultant(s), who prepared the technical documents as part of the PM's team during Phase 1 of the Project, is excluded from bidding.** »

*No other changes apply*
