Definitions

For the purposes of this clause,

"former public servant" is any former member of a department as defined in the [Financial Administration Act](#) R.S., 1985, c. F-11, a former member of the Canadian Armed Forces or a former member of the Royal Canadian Mounted Police. A former public servant may be:

"lump sum payment period" means the period measured in weeks of salary, for which payment has been made to facilitate the transition to retirement or to other employment as a result of the implementation of various programs to reduce the size of the Public Service. The lump sum payment period does not include the period of severance pay, which is measured in a like manner.

"pension" means a pension or annual allowance paid under the [Public Service Superannuation Act](#) (PSSA), R.S., 1985, c. P-36, and any increases paid pursuant to the [Supplementary Retirement Benefits Act](#), R.S., 1985, c. S-24 as it affects the PSSA. If so, the Offeror must provide the following information, for all FPS in receipt of a pension, as applicable:

- a. name of former public servant;
- b. date of termination of employment or retirement from the Public Service.

By providing this information, Offerors agree that the successful Offeror's status, with respect to being a former public servant in receipt of a pension, will be reported on departmental websites as part of the published proactive disclosure reports in accordance with [Contracting Policy Notice: 2012-2](#) and the [Guidelines on the Proactive Disclosure of Contracts](#).

Work Force Adjustment Directive

Is the Offeror a FPS who received a lump sum payment pursuant to the terms of the Work Force Adjustment Directive? **YES** () **NO** ()

2.4 Enquiries - Request for Standing Offers

All enquiries must be submitted in writing to the Standing Offer Authority no later than **seven (7)** calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that offerors do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all offerors. Enquiries not submitted in a form that can be distributed to all offerors may not be answered by Canada.

2.5 Applicable Laws

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in Alberta.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the offerors.

PART 3 - OFFER PREPARATION INSTRUCTIONS

3.1 Offer Preparation Instructions

- If the Offeror chooses to submit its offer electronically, Canada requests that the Offeror submits its offer in accordance with section 08 of the 2006 standard instructions. Offerors are required to provide their offer in a single transmission. The epost Connect service has the capacity to receive multiple documents, up to 1GB per individual attachment. The offer must be gathered per section and separated as follows:

Section I: Technical Offer
Section II: Financial Offer
Section III: Certifications
Section IV: Additional Information

- If the Offeror chooses to submit its offer in hard copies, Canada requests that the Offeror provides its offer in separately bound sections as follows:

Section I: Technical Offer (one (1) hard copy)
Section II: Financial Offer (one (1) hard copy)
Section III: Certifications (one (1) hard copy)

If there is a discrepancy between the wording of the soft copy on electronic media and the hard copy, the wording of the hard copy will have priority over the wording of the soft copy.

- If the Offeror is simultaneously providing copies of its offer using multiple acceptable delivery methods, and if there is a discrepancy between the wording of any of these copies and the electronic copy provided through epost Connect service, the wording of the electronic copy provided through epost Connect service will have priority over the wording of the other copies.

Prices must appear in the financial offer only. No prices must be indicated in any other section of the offer.

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;

Canada will have the right to declare an offer non-responsive, or to set-aside a Standing Offer, if the Offeror, or any member of the Offeror if the Offeror is a Joint Venture, appears on the "FCP Limited Eligibility to Bid" list at the time of issuing of a Standing Offer or during the period of the Standing Offer.

ANNEX "A"

REQUIREMENT

The Department of National Defence (DND) at Canadian Forces Base (CFB) Suffield in Ralston, AB has a requirement for the rental and delivery/pickup of Highway Tractors, Dry Van Straight Trucks and Reefer Straight Trucks as listed in the mandates below.

These vehicles will be in support of CFB Suffield, Defence Research and Development Canada (DRDC), as well as the British Army Training Unit (BATUS) to augment the existing fleet on an as and when required basis. The vehicles will be managed by the G4 Transport Section at CFB Suffield.

Special Conditions

1. Offerors rates are to include unlimited kilometers in the rates for all the vehicles if applicable. If unlimited kilometers are not included, Offerors will indicate the maximum allowed kilometers and the price per kilometer on the invoice if the maximum amount is exceeded. Offerors are to indicate if this is calculated on a daily or monthly basis. Mileage charges must reflect actual distances travelled during the rental period (not mileage for delivery and pick-up), and not based on estimates, so therefore, mileage can only be charged in arrears, not in advance.
2. Canada reserves the right, with 48 hours written notice, to change the rental period requested on the call-up against the Standing Offer at any time during the rental period. There will be no entitlement to compensation as a result of this change and neither party will make any claim whatsoever against the other as a result of this change. In such cases, all work accepted, delivered and unpaid in accordance with the change notice shall be paid in accordance with the Basis of Payment at Annex B.
3. If the equipment hired is on a daily, weekly or monthly payment basis and is required for a lesser period than originally hired, the fee will revert to the combined payment schedule for that revised specified time frame by use of a combination of daily, weekly or monthly fees for the specified period.
4. All vehicles must be no more than 5 years old.

Vehicles will be driven throughout Alberta and may be driven throughout Western Canada.

5. When the Offeror is notified by DND that the vehicle is not required and is available for pick-up, the Offeror will cease all charges on that date.

Fuel charges for vehicles returned to the Offeror with less than a full tank of fuel will be reimbursed at market value, supported by receipts, and charged as a separate line item on the final invoice. When vehicles are delivered with less than a full tank of fuel, the Offeror will be notified and those vehicles will be returned with the same amount of fuel as when they were delivered.

6. The most economical rental rate(s) will be applied for each rental period, taking into account the per kilometer rates, if applicable. Example – for a 5 day rental, if a weekly rental rate is less expensive than five times the daily rate, then the weekly rate will be applied.
7. All invoices must be received within 2 months of the end of the rental period.
8. **Insurance**

- 8.1 Canada underwrites its own risks for vehicles used in its operations. The Offeror's Commercial Insurance shall be made available for purchase on an optional basis as deemed necessary by the call-up authority at the time of the call up.

8.2 Department of National Defence

The management of risk for Mobile Support Equipment (MSE) hired by the Department of National Defence (DND) and operated by DND personnel shall be governed by the general principle that Canada self-underwrites these risks to which it alone is exposed and over which it generally has control. Consequently, the preferred approach when hiring MSE is for DND to assume all responsibility for loss or damage to the hired MSE, when DND and/or its personnel is at fault or negligent, and to assume all responsibility for liability to third parties (i.e. bodily injury and property damage) and all sums which DND and/or its personnel become legally obligated to pay such damages.

8.3 MSE hired for remote areas

Non-deductible collision coverage may be required, regardless of the period of hire, if there are offsetting administrative advantages such as ease of claim settlement. Such exceptions to the policy require prior DND approval.

8.4 Collisions

In the event of a collision, DND will obtain a written estimate for the repairs and in consultation with the contractor, decide where the repairs are to be performed. If the contractor decides to have the damage repaired at a place of his choice and the cost of said repairs is higher than the estimate obtained, DND will only pay the lesser amount. If the contractor decides the collision damage is to be repaired at a place other than the place of DND's choosing, the contractor shall be responsible for all transport cost (i.e. towing charges) of said vehicle. When a rental vehicle is in a disabling collision all rental charges will cease on said vehicle on the date of the incident.

9. **Delivery Instructions (when Requested)**

- 9.1 The Offeror will provide for the delivery of the rented vehicle to DND or as stated on the call-up and will provide for its pick-up at time of expiry or termination of the call-up.

The requested items must be delivered within 48 hours of receipt of call-up or as specified on the call-up.

Vehicles will be provided Delivered at Place (DAP) to CFB Suffield or location stated on the call-up.

The Offeror is to deliver the vehicle, fully serviced with a full tank of fuel.

Point of delivery is Base Transport, CFB Suffield or location stated on the call-up. The Offeror is responsible for the mileage and the cost of fuel to deliver and to pick-up the vehicle to and from CFB Suffield or location stated on the call-up.

- 9.2 DND reserves the right to return within three (3) days any vehicle supplied against the Call-up which after being test driven is not in acceptable condition, without payment of any fee for the period covered. The Offeror is to provide a replacement vehicle or correct any unsatisfactory conditions in the vehicle.

10. **Inspections**

- 10.1 Prior to acceptance of any vehicle, DND and the Offeror's representative will inspect the vehicle(s) by completing a Vehicle Inspection Report, reporting the condition of each vehicle. The Vehicle Inspection Report will be provided by the Offeror and will include, but is not limited to,

- Odometer Readings
- Damages
- Malfunctions
- Cracks in the windshield
- Scratches in paint or interior
- Dents on the body
- Date and time of delivery etc.
- Fuel
- Tears and stains on the interior (i.e. carpet, seats or doors)

The Vehicle Inspection Report will be signed and dated by DND and the Offeror. DND will have one of their certified Mechanic inspect the vehicle before deciding if we will keep the vehicle.

- 10.2 Upon return of the vehicle, DND and the Offeror will inspect the vehicle(s) along with reviewing the original Vehicle Inspection Report making sure no additional damages have occurred on the vehicle. Any additional damages will then be documented along with the odometer reading, fuel level, and the date/time of pickup. Only the additional damage recorded upon the return of the vehicle will be considered for compensation by Canada.

- 10.3 Mileage accumulated during the delivery and/or pick up is not to be charged to DND, it is to be deducted from the total accumulated mileage at time of invoicing.

11. Maintenance of Equipment:

- 11.1 The Offeror will be responsible for all general vehicle maintenance services, including the supply of parts normally provided by manufacturer's warranty, as well as the labour necessary to install such parts.

The Offeror will provide a written regular maintenance schedule to be carried out during the rental period.

Warranty service shall be made available at any authorized Canadian dealer for the make of vehicle rented.

The Offeror will be responsible for pick-up and return of the vehicle for maintenance and servicing.

- 11.2 The Offeror will be responsible for costs associated with, and the scheduling of all regular vehicle maintenance, servicing, tire replacement and tire repair.

Maintenance shall include all labour, parts replacement and the servicing of all portions of the vehicle, including changing the engine oil at intervals specified in the manufacturer's manual.

The Offeror will replace tires, blown or worn out through normal driving and road hazard conditions and is responsible for the repair of flats due to normal wear and tear.

DND shall not make or cause to have made any maintenance without the consent of the Offeror.

The term “normal wear and tear” refers to the natural amount of deterioration, which can be expected of the term of the rental, which includes:

- Tire wear, paint chips, and minor scratches that do not extend to the base metal;
 - All paint scratches and paint wear and minor dents to interior, tip rails, truck boxes and tailgates of trucks;
 - Paint chips caused by stones thrown by the wheels of the vehicles;
 - Frayed or stretched emergency brake cables;
 - Interior wear and tear of vehicles not including, holes, burns, or tears of interior surfaces;
 - Tire wear and damage, provided that the tires meet provincial safety standards.
12. The Offeror must supply another licensed vehicle of the same type and size to replace a specific vehicle when a unit is taken out of service for repairs for a period greater than 24 hours. Down time will be considered when computing the rental charges.
13. Each vehicle supplied must meet the provisions of the Motor Vehicle Safety Act of Canada and the regulations there under that are in force on the date of its manufacture. DND reserves the right, at any time during the rental period, to send any vehicle back without penalty if we determine the vehicle does not meet minimum safety standards.
14. In cases where a vehicle breaks down, a replacement vehicle of the same type and size must be provided within 48 hours of receipt of notification of break down. The replacement vehicle will be delivered to the DND location indicated on the original 942 Call-Up against a Standing Offer form or electronic document.

If the Offeror decides not to repair the vehicle through the affiliated agent they took it to, the Offeror will be responsible to get the vehicle to and from the affiliated agent location along with any costs associated with the repair. Down time will be considered when computing the monthly charges for maintenance as required.

15. **Damages and Lost Time**

- 15.1 DND is responsible for loss and damage to the vehicle under a 942 Call-Up Against a Standing Offer form or electronic document during the rental period if the loss and damage is not the result of normal wear and tear.
- 15.2 DND will obtain a written estimate of the repairs and in consultation with the Offeror, decide where the repairs are to be performed. If the Offeror decides to have the damages repaired at a place of its' choice and the cost of said repairs are higher than the estimate obtained by DND, DND will only pay the lesser amount.
- 15.3 Once the value of the repairs has been established and agreed to by DND, the Offeror will get the vehicle repaired. Invoices citing costs for damages must include copies of the estimates and the actual repair invoices.

The invoice will be certified and processed once the invoice has been received by DND according to Part B – Resulting Contract Clauses; Part 2 – Standard Clauses and Conditions, 2.1 General Conditions 2010C (2018-06-21) General Conditions – Services (Medium Complexity), subsection 10 – Invoice Submission and subsection 12 – Payment Period; and Part B, Item 6 – Invoicing Instructions;

- 15.4 If the vehicle has been damaged due to the negligence or carelessness of employees of Canada, lost time will be considered based on the daily rental rate and negotiated between the

Standing Offer Authority, the Offeror and DND.

Traffic Violations

- 15.5 DND will be responsible for all costs associated with all Highway Traffic Act Violations, parking infractions, toll fees, red-light camera violations, and impound fees.
- 15.6 All ticket fines will be processed by the Offeror. An invoice recovering these costs along with any administration fees will be forwarded to the applicable DND location for payment within one month of the Offeror receiving the ticket. The invoice will include supporting documentation including a copy of the ticket/s indicating the date/s and time/s of the infraction.
- 16. Any conditions normally applied by the contractor and listed in the contractor's rental agreement or acceptance form will not supersede the above listed conditions.
