SOLICITATION AMENDMENT #5

This amendment is issued to reflect the following.

1. Under Bid Closing

Delete:	March 18, 2019	2:00 p.m. AST
Insert:	March 25, 2019	2:00 p.m. ADT

2. Bidders Questions

Question 1:

If evaluation is on item by item basis or the contract will be awarded to only one successful bidder capable of supplying all requested line items ?

Answer 1:

Yes: The Standing Offer will be awarded to only one successful bidder.

Question 2:

In reference to annex B, some items are requested 230V but in Amendment No. 004 , all items should be compatible with 440V. which one is correct?

Answer 2:

Because this is for 4 vessels, some of the equipment is 220 volt 60 hz, 380 volt 50 hz and 440 volt 60 hz, but can be the same component – just a different voltage. The intention is not to have all compatible to being compliant for all 3 voltages, the amendment was brought back to the table to outline that it is not only 220 volt ratings may be required for the parts. The other two voltages would be a different part number.

Question 3:

Further to an inquiry for the vessel(s) associated with certain parts.
