APPENDIX B - PRICE PROPOSAL

INSTRUCTIONS

- A. Complete price proposal form and submit in a separate sealed envelope, with the Proponent's name, Solicitation Number, and "Price Proposal Form" typed on the outside.
- B. Price proposals are not to include Applicable Taxes and will be evaluated in Canadian Dollars.
- C. Proponents are not to alter or add information to the form.
- D. In order to ensure that fair and competitive hourly rates are received for each of the positions listed, the following requirement must be strictly adhered to: proponents must provide an hourly rate for each listed position. In the event that the firm consists of fewer personnel than listed, the proponent must provide an hourly rate that corresponds with each position listed. The hourly rate for any given category of personnel cannot be \$0 or nil value. Failure to insert an hourly rate for each position listed will render your proposal non-responsive.
- E. The hourly rates identified will be for the duration of the Standing Offer.
- F. Travel and Living Expenses: Firms are advised that any travel time and travel-related expenses associated with the delivery of services within:
- a 50 km radius of the Consultants's office – Office the closest to the site when a Consultant has a business offices in more than one address;
 - a 50 km radius from Place Bonaventure, Montréal; and
 - a 50 km radius from 1550 d'Estimauville, Québec
- There will be no travel time or travel and living expenses payable for services rendered within 50 kilometers from the Designated Service Centre listed in Annex B. For services rendered further than 50 kilometers from the Designated Service Centre, the Consultant will be paid its actual travel time in accordance with the hourly rates detailed in Annex B. The C will be reimbursed for the authorized travel and living expenses reasonably and properly incurred in the performance of the Work, at cost, without any allowance for overhead or profit, in accordance with the meal and private vehicle expense allowances specified in Appendices B, C and D of the [National Joint Council Travel Directive](#), and with the other provisions of the directive referring to "traveller", rather than those referring to "employee". Canada will not pay the Consultant any incidental expense allowance for authorized travel. All travel must have the prior authorization of Departmental Representative.
- G. Fixed hourly rates for each Category of Personnel are to be provided in columns B and C and multiplied by the weight factor % in column A (provided for evaluation purpose only). Sub-totals of columns A X B and A X C are then multiplied by the identified weight factor % of each period and the results are added for evaluation purposes.
