Solicitation Amendment 006 is raised to respond to a question from a bidder.

Question:

Is enrolling a requirement of doing First Nations Land Claim assignments where I'm engaged directly by the province and/or the First Nations?

Answer:

The current Request for Proposal (RFP) is for "Project Management and Pre-Design Services for the Lubicon Lake Band Community Infrastructure Project" not for First Nation Land Claim Assignment.

Please note that the mandatory criteria to submit a bid to the Department of Indigenous Services Canada (DISC) through PSPC's website in order to provide "Project Management and Pre-Design Services for the Lubicon Lake Band Community Infrastructure Project" are listed in the RFP under Attachment 1 to Part 4 – Mandatory Technical Criteria and under Part 5 – Certifications and Additional Information. Other criteria will be rated to select the winning bid.

As stated in the RFP under Part 1 – General Information, the Funding Agreement resulting from this RFP will be issued and administered by DISC. The Project Manager will work in the best interest of the Project and report to the Project Implementation Committee, which will include four members: one (1) DISC National, one (1) DISC Region, one (1) Owner's Engineer, and one (1) Lubicon Lake Band Councilor. With the understanding that the Lubicon Lake Band is the primary beneficiary of the Project, the Lubicon Lake Band will provide guidance and direction to the Project Implementation Committee to ensure that the Project meets the needs of the community.
