Subject/ Object: **REQUEST FOR PROPOSAL F5211-180403** – General Maintenance Services for Real Property Safety and Security (RPSS) Gulf Region Nova Scotia (NS) Sites/Locations

ADDENDUM #2 / ADDENDA N° 2

Further to the above- mentioned Request for Proposal documentation previously forwarded to your firm, Addendum (#2) is hereby issued.

Question 1: Wondering if you could please clarify the names and location of all the sites that will be associated to this RFSO? This would help us in determining our fixed costs to be included in the charge out rates as well as allocate the required resources. Thanks in advance.

Answer 1: The primary site for the NS SOA is the Canso Canal in Port Hastings, however on a rare occasion we may require work to be done at some of our very small sites in Margaree or Cheticamp, likely once a year.
