AMENDMENT 002 IS RAISED TO EXTEND THE CLOSING DATE AND TO ADDRESS BIDDER ENQUIRIES:

QUESTIONS AND ANSWERS:

- Q1. Cat 1B - Item 12 and 13, would the client accept a File/File configuration for the towers under the respective GoCUID SPPTFSMxxLHFFCD542424 and SPPTFSMxxRHFFCD542424?
- A1. No, the client would like to keep the Box, Box, File configuration.
- Q2. Cat 6 – Collaborative Furniture – Item 5 – C4-LT – Could you please confirm the GoCUID provided is correct? The GoCUID provided cannot be located.
- A2. Refer to Table 10 (below), Item 5 for correct GoCUID and Description.
- Q3. Cat 6 – Collaborative Furniture – Item 8 – C8-2 – Could you please confirm the GoCUID provided is correct? The GoCUID provided cannot be located.
- A3. Refer to Table 10 (below), Item 8 for correct GoCUID and Description.
- Q4. Cat 2 - It appears from the plans that the height adjustable tables are designed to be connected in an L-shape configuration that raises and lowers at the same time, please confirm. If this is the case, please confirm that T1-F & T1-S, T2-F & T2-S, T3-F & T3-S, are all designed to be connected.
- A4. They are not designed to be physically connected, but they are to be connected electrically so that only one switch needs to be pushed to allow both tables to move up and down simultaneously.
- Q5. Cat 2 - Item 19 - T3-S is asking for FSCAE4824. However, the description provided calls for 36" wide. According to the typical drawing, it shows 36"W (which should be GoCUID FSCAE3624). Please confirm the correct GoCUID to quote.
- A5. Refer to Table 1 (below), Item 19 for correct GoCUID.
- Q6. Looking at typical WS3, it states 72" x 60". If this is true, then item #18 will need to be a 36" x 24" Height Adjustable Table. Please confirm if we are to quote 36"x24" height adjustable table for item #18. This would also mean the panel noted as P1 in the drawing should be drawn 24" wide, see note 1 - Please confirm if the panel noted in P1 should be drawn 24" wide.
- A6. Item #18 is correct. For WS3 there is a 24x48" table and is noted in #19 a 24x36" table. The overall dimension for WS3 is 72"x60".
- Q7. We see on the plan and you also sent drawings for some items that you do not ask for pricing. Here are the tags: S4, SY, S2, C5, S1. Should we disregard these items?
- A.7. This will be posted in Table 10, Items 13 – 17 as soon as quantities are received from client.
