division 14: vertical transportation
addendum

225619

2019-03-15

The following are additions, replacements or modifications to the specifications for division 14 (Vertical Transportation) and are to be used for the execution of the Work. Changes in a paragraph of a clause do not affect the other paragraphs of that clause.

Section 14 20 06

PART 2 - PRODUCTS

- add* **2.63 CLOSED CIRCUIT CAMERA SECURITY SYSTEM**
- .1 A closed circuit camera will be installed in the cab by others.
 - .2 Provide wiring from the camera in the cab to the machine room.
 - .3 Provide eight 20 AWG gauge conductors extending from the elevator security interface box in the machine room to the top of the elevator cab.
 - .4 Provide an excess loop of 3050 mm (10') of cable at either end.
 - .5 Provide a cable access hole in the top of the cab at the camera location.
 - .6 Provide assistance to the supplier of the closed circuit security system for the installation of the camera.
