**Reason for Amendment:**

**1. Modify PART 1- GENERAL SUMMARY, item 4. Who can submit a bid**

Delete:

**4b. ProServices Existing Suppliers**

ProServices' existing Suppliers who currently hold a Supply Arrangement are invited to submit a bid in order to maintain their existing Supply Arrangement. Existing suppliers can also request additional categories, levels of expertise, regions and metropolitan areas at this time.

Insert:

**4b. ProServices' Existing Suppliers**

ProServices' existing Suppliers who currently hold a Supply Arrangement do not need to submit a bid in response to this bid solicitation unless they want to add additional information to their existing supply arrangement.

**2. Modify PART 2 – SUPPLIER INSTRUCTIONS**

Delete:

**1. Submission of Bids**

Bidders must obtain the Bid Solicitation document posted on the Government Electronic Tendering System (GETS), also known as the Buy and Sell Tenders site, and read it in its entirety. ProServices no longer requires a bidder to provide a portion of their submission by paper through the Bid Receiving Unit (BRU). ProServices will only accept electronic submissions through the Data Collection component (DCC) of the Centralized Professional Services System (CPSS) ePortal.

Bidders who have an existing ProServices Supply Arrangement and want to update their level of expertise, Regions/Metropolitan Areas, and/or add additional Streams and Categories, must identify these updates/additions through a bid submission.

### **3. *Modify PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION***

#### **Item 3. Technical Evaluation – Mandatory Criteria - M.3 Reference Substantiation for each “Newly Substantiated” Category.**

Delete:

11. For the evaluation of each category an email, similar to the example below, will be sent to the reference(s) indicated in the bid. The bidder will also be copied on the email that is sent to the reference(s) with the intent being that the bidder can follow up with their reference(s) to ensure a response is provided to ProServices.

The bidder will also be copied on the email that is sent to the reference(s) with the intent being that the bidder can follow up with their reference(s) to ensure a response is provided to ProServices. The Bidder cannot respond on behalf of the reference.

#### **Item 5. Security Requirement**

Delete:

A bidder who is awaiting completion of the security clearance process is not “fully compliant” and cannot be issued a Supply Arrangement. In this case, the bidder will have an “inactive Supplier” status in the CPSS ePortal once the results of the RFSA process is released. Provided the bidder agrees to extend the validity period of their bid, the inactive supplier’s bid will remain valid up to the time of the next re-competition process for ProServices. ProServices will consider issuing a Supply Arrangement to this Supplier, once the required clearance is received and provided actions relating to this supplier have not occurred.

If the security clearance has not been obtained by the time of the next re-competition process for ProServices, the inactive Supplier will return to the designation of a “New Bidder” for the submission of a bid in response to a re-competition solicitation.

## **7. Corporate Changes to Suppliers**

**New Suppliers:** If a new supplier is created as a result of a corporate change that occurred less than one year before the closing date of the specific quarter that is currently opened, (identified in Part 2 – Supplier Instructions, item 5 of the Request for Supply Arrangement solicitation as well as item 4.3 of the Supply Arrangement), Canada may, despite the Standard Instructions 2008-5.8 and General Conditions 2020-3.e, consider all of the following:

1. the one year minimum requirement to be met for the new entity, and
2. the transfer of a Supply Arrangement, and
3. allowing the carry-over of existing information already on file, if applicable.

**Existing Suppliers:** If an existing supplier undergoes a corporate change, Canada may, despite the Standard Instructions 2008-5.8 and General Conditions 2020-3.e, consider all of the following:

1. the transfer of a Supply Arrangement, and
2. allowing the carry-over of existing information already on file, if applicable.

The new/existing supplier must certify to all of the following:

- a) The corporate change was solely for tax or other purposes unrelated to the business of the other legal entities;
- b) The corporate change does not affect the ability of the new/existing supplier to carry on the business that had been carried on by the previous legal entity or entities;
- c) The new/existing supplier has carried on the business on behalf of all of the other legal entity or entities involved, uninterrupted from the date of the corporate change;

- d) The new/existing supplier maintains the same assets, undertakings, operational capability, skills and resources as the other legal entity or entities had maintained before the corporate change;
- e) The other legal entity or entities has or have each carried on business, uninterrupted and in the normal course, for at least one year;
- f) The new/existing supplier did not reorganize or restructure due to bankruptcy;
- g) The new/existing supplier and its affiliates are in compliance with the 'Integrity Provisions' certification; and
- h) The new/existing supplier is security cleared to the same level as the other legal entity or entities.

In order for the information from one Supply Arrangement to be transferred to the new/existing supplier, the new/existing supplier must submit an electronic bid through the Centralized Professional Services System (CPSS) ePortal (<https://sspc-fournisseur-cpss-supplier.tpsgc-pwgsc.gc.ca/Indiquerouvertureession-ShowLogin-Eng.action>).

The timeline to process the transfer of information from one Supply Arrangement to the new/existing supplier in the CPSS e-Portal may take up to six months as the submission will be evaluated along with all other bids submitted under the quarter that is being evaluated. However, if the new/existing supplier has agreed to absorb the cost involved in processing the transfer of information from one Supply Arrangement to the new/existing supplier, then this can be requested through the ProServices method of supply and will cost \$3,000 with an anticipated 2 to 4 week turn around.
