AMENDMENT 01

This amendment is being raised to distribute questions and answers and make changes to the tender package.

A) BIDDER QUESTIONS

Q1 Will any data on the existing equipment be made available to contractors? Can the drawings noted as to be made available to the successful general contractor be made available to those wanting to tender the project prior to the tender close?

A1 Please see attached Mechanical Drawings for reference. Note that changes may have been made since these drawings were created, that are not reflected on these drawings. These drawings contain mechanical information for multiple buildings, please ensure you are referencing the correct building. We have also included the Assessment Report created by AECOM for your reference.
