

Project No.: F2470-190001

March 25, 2019

The following changes to the tender documents are effective immediately and will form part of the contract documents:

1. Insert the attached Drawing titled "Contractor Laydown Area" which identifies the area designated for contractor use for material storage and equipment storage.
2. Insert the following Equipment Rental Information:
 - The "Hamlet Equipment List" attachment lists the rental equipment and services available from the Hamlet of Pangnirtung. If the contractor is interested in any rental equipment and/or services, the contractor is responsible for contacting the Hamlet of Pangnirtung to determine details such as rates and availability. The contact information is below:
Jimmy Keenainak
Works Foreman
Hamlet of Pangnirtung
PO Box 253
Pangnirtung, NU
X0A 0R0
Phone: (867)473-8660
Fax: (867)473-8367
3. Insert the attached Vehicle Measurement form.
 - The "Vehicle Measurement" attached is referenced in the specification, Section 31 23 33, Section 33 42 13, Section 35 31 22, Section 35 31 23.13

MUNICIPALITY OF PANGNIRTUNG, NT
