Question 1:

“Is it possible to get the name of the manufacturer of the masks as well as the canisters currently used?”

“The requirement to meet the canister specifications is all that is required. Neither the brand of respirator, nor the name of the manufacturer of the mask are relevant to the future contract.”

Question 2:

“In addition the total annual quantity under the previous standing offer would be helpful to know.”

Answer 2:

“We do not have the data from the previous Standing Offer however there’s an anticipated annual quantity of 600 cases for any Standing Offer awarded following this process.”

*Please note: This is a forecasted quantity that does not represent firm order quantities.

Question 3:

“Please, could you tell us which brand of respirators are in use currently? So, we can work accordingly”

Answer 3:

“See answer to question 1 above.”
