Title – Titre :
Traffic Management – Lake Louise, AB

Amendment No. 001 is to address the following bidder question.

Q1: *“Are you able to provide clarification on the following:*

In Annex “A” Statement of Work, Section 2.3 “Level of Service” states the following:

“Either the identified project lead or one of the two supervisors must be on location at all times for the duration of each shift, unless prior consent of the PCA Project Authority has been given.”

In 2.3.3 - start time for the project lead and two supervisors is stated as “... 8:30 a.m. to 6:30 p.m. as outlined in 2.1 Scope of Work ...”

In 2.3.4 & 2.3.5 – shift start times range from 6:30 am to 7:30 am, additionally some shifts end at 7:30 pm - is a project lead or supervisor required on these shifts also? If so, is their start time and end time listed in Section 2.3.3 incorrect? Alternatively, in 2.3.4 and 2.3.5 are the traffic controllers able to begin this work without the supervisor or project lead being on site until 8:30 a.m.? Also, if the supervisor is complete at 6:30, would they still be expected to be on site until 7:30 pm?”

A1: **Traffic controllers are able to begin this work without the supervisor or project lead being on site until 8:30 a.m.**

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
